Phylogenetic tree of the 5th round of the 2011-2012 season. The tree shows relationships between various participants, with bootstrap values at nodes. The root is labeled "5th" and "830". The tree splits into two main branches. The left branch contains several sub-clusters, including one with "A. Aguilair NEW" (L524) and "J. Sandlin FIM" (L592), and another with "L. Armenta UNC" (L591) and "G. Ratermann ARMY" (L590). The right branch contains "D. Flores NEW" (L525) and "C. Maroni GWU" (L588), and another with "W. Ray GSCW" (L526) and "G. Church App" (L587). The tree is rooted at the bottom with a bootstrap value of 830.

Participants and their affiliations (L524, L592, L591, L590, L589, L525, L588, L526, L587, L586) are listed on the left. The tree structure is shown with nodes and branches.
