

Car Seat Safety Classes

VIRTUAL EVENTS

Learn how to keep kids safe when they are in and around vehicles.

Choose from 3 classes based on child's age & stage:

- Newborns & Infants/Rear-facing Car Seats (Birth – Age 2+)
- Forward-facing Car Seats (Ages 2-4+)
- Booster Seats & Seat Belts (Ages 4-8+)

Topics covered include car seat selection, installation and harnessing basics, avoiding common mistakes and when to make a change.

*Classes are **FREE** and open to expecting, new or experienced parents; grandparents; or other caregivers. All classes are taught by a nationally certified Child Passenger Safety Technician.*

For class dates & times and registration information, please call the Aspirus Information Center at 800.847.4707, or visit www.aspirus.org/classes-events.
