Life is continually changing and the more we equip our youth the better they are going to be at handling anything that life might throw at them. "I Can Do That" camp will be providing youth with the knowledge they need to know to not only survive in today's world but to THRIVE in today's world. Every day we will introduce elements that will not only help the camper create better days but will also reflect back to home, school, community and friends. Daily mottos and songs like "WE are family" and "Try Everything" will help keep us on track and moving forward even though sometimes task get hard, times get tough and the outcomes aren't what we expected.
