

Summer Project Program

WEEK 6

How's It Going?

We are at the half-way point of the Summer Project Program! This week, we aren't providing any new information. Our remaining topics are mainly focused on preparing to present your project at the LSEF event, and you may not be ready yet to focus on that (we will start next week). You can use this time to continue with your project, catch up, or ask questions.

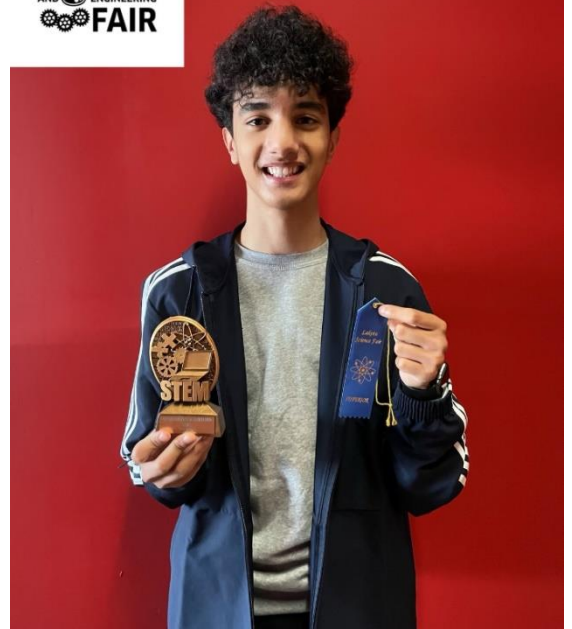

Having trouble?
You can ask your parent or coach for help, or join our next Zoom:

Next Optional Zoom session –
Monday, June 28
at 6:30 PM (check your email for a link and passcode).

Or e-mail us your question at
[LakotaScienceFair@gmail.com!](mailto:LakotaScienceFair@gmail.com)
