# BIRDS OF PREY

## *Live Bird Demonstration*

Thursday, February 20, 2020  
10:00am  
Visitor Center

Join Marla Isaac and the Friends of Borderland inside the visitor center to see live hawks, owls and even a vulture on Thursday, February 20, 2020 at 10:00am. Marla explains the

adaptations that make raptors special, how they hunt and their places in the ecosystem. Take photos up close of these dramatic and awe-inspiring birds!

This event is co-sponsored by the Friends of Borderland and the Department of Conservation and Recreation.

Children must be accompanied by an adult. Rain or shine. This is a popular program, we recommend arriving early.

In case of inclement weather, please call Borderland to ensure program is still happening.
