

# CNYSLHA Medical SLP Study Group

Fall 2021

- ❖ Fall Series (Sept.-Dec.): Four, 1.5-hour sessions
- ❖ When: The first Thursday of the month at 5:30-7:00PM
- ❖ Location: Remote via Zoom (session-specific link emailed the week of each session)
- ❖ Earn up to 0.6 ASHA CEUs (Intermediate Level; Professional area). In order to receive CEUs, you must attend at least 3 out of 4 sessions (certificates provided).

## Course Description

The study group will be divided into four topics impacting the practice of medical-based speech-language pathologists. Professionals from various settings in the healthcare continuum will present topics and share research, with time for open discussion and application to caseloads.

## Agenda

5:30-6:30 Presentation by facilitator including research  
6:30-7:00 Guided discussion and application of information

## Learner Outcomes

As a result of this study group participants will be able to:

1. Provide rationales for use of assessments/therapeutic strategies.
2. Use principles of evidence-based practice to analyze approaches to targeted disorders.
3. Identify 3-4 new concepts in assessment/treatment.

## Registration
