

To honor his more than twenty-six years in service to our club and community, we have named our fall tournament to honor Billy Beam, a charter member of Triangle Sertoma Club, who died on August 7, 2004. Billy was the heart and vision of our civic organization

The Triangle Sertoma Club, chartered on June 16, 1978, a unit in good standing of Sertoma Incorporated, is a Durham civic service organization comprised of business and professional people who volunteer their time throughout the year to help support unfunded speech and hearing needs in the community.

We depend on the generous support and sponsorship of businesses and professionals and tournament participants to meet these community needs.

Proceeds raised through this charity event help support underfunded speech and hearing needs including the Durham County Schools Hard of Hearing Program and the North Carolina Eye, Ear, Nose & Throat speech therapy assistance program.

We hope that with each and every year our fund-raising tournament will grow and prosper so that we may continue to serve our community. We also hope that we may continue to count on your support and participation in this annual charity event.
