LOCKMILLER EDUCATION SCHOLARSHIP

What: Thanks to an estate gift by Alice Lockmiller, we are able to offer a book scholarship to help offset college expenses. This book scholarship may be applied to the cost of textbooks and course material packets for college classes and post-graduate work.

Amount: Up to $250 for part-time students per academic school year and up to $500 for full-time students per academic school year.

Requirements:

1) Submit the attached application form.
2) Must be an active member of Belleview United Methodist Church. Active is defined as someone who is regular in their worship attendance and is also involved in at least one regular ongoing ministry of the church. Note: if a student is away at college, regular attendance and participation in a college campus ministry or local congregation will count. We will need a letter of verification from the campus ministry director or church pastor.
3) Must be enrolled at least part-time in an accredited college or university and be a student in good standing. A letter of good standing is needed from the school after the drop/add date for each semester in which funds are being applied for.
4) Must submit copies of receipts for textbooks or course material packets purchased. We will reimburse up to the specified amount with documentation depending on a student's classification (part-time or full-time). If the total amount is used by a student in a single semester, they will not be eligible for reimbursement in other semesters of that academic school year.

Deadlines: The deadlines for receipt of the application and all supporting materials are as follows: For the fall academic semester, October 1, and for the spring academic semester, February 1. Please send your materials to the attention of the Finance Committee marked "Lockmiller Scholarship."
