

STUDENT EMERGENCY KITS

Emmaus desires to provide safety for you child while they are in our care. In order to help your child be prepared in the event of any emergency that would require a stay at school, we want to have an emergency kit at school for them. These kits will be stored in your child's classroom and will be sent home at the end of the school year if they are not used.

Please put together a kit using the following guidelines:

- 1. Water – 16 oz bottles (2)**
- 2. Packaged food items – choose (3) items: Granola bars, dried fruit, fruit cups, applesauce cups, crackers—with cheese or peanut butter, fruit snacks, nuts, trail mix.**
- 3. Comfort Items: You are welcome to put comfort items in the bag that you would like your child to have in case of an emergency but it is not required.**

These should be placed in a gallon zip bag and labeled with your child's name. Thank you for helping us to keep your child safe while at school.
