

# NATRC Competitive Trail Riding Clinic & Greenland Trail Challenge

Greenland Open Space, Larkspur, CO  
Sunday, May 6, 2018 (limit 50 registrations)

Do you like to trail ride? Do you want to learn new trail skills, camping skills, and how to better take care of your horse? Join us at this "NATRC" (NORTH AMERICAN TRAIL RIDE CONFERENCE) COMPETITIVE TRAIL clinic or show off your skills after the clinic at our introductory 2018 Greenland Trail Challenge ride.

**Clinic:** Please join us for this educational introduction to NATRC competitive trail riding clinic. No horse is required if you plan on participating in the clinic only. Clinic participants are divided into small groups and assigned an experienced NATRC competitor. The groups will go from "station to station" and learn about the many facets of NATRC competitive trail riding, listen to lectures, and view demonstrations by NATRC judge(s) and seasoned NATRC competitors. After this clinic, you will be prepared to compete in any NATRC competitive trail ride including the 2018 Greenland Trail Challenge held after the clinic.

**Greenland Trail Challenge:** Show off your wonderful trail horse and help your partnership improve. This 8.5 mile ride on a marked trail will have several judged trail challenges along the way that are similar to those you might expect to encounter during high country trail riding and NATRC competitions. Besides the actual trail challenges, you will check-in and check-out with a vet judge for a brief soundness evaluation and metabolics, and experience one P&R (pulse and respiration) out on the trail. We go over all the details in the clinic and go over the actual trail map at ride briefing. Average trail speed is between 3-4 mph. Footing is packed sand with occasional rocky parts. Awards will be given as soon as possible after last horse checks out.

**FEES:** ■ **Both Clinic and 2018 Greenland Trail Challenge** (includes continental breakfast): Senior (65 and up) \$55; Adults (18 to 64) \$60; Junior (10-17) \$45; Little Challengers (under 10) \$25. This group has priority if competition fills.
