

Cape Coral Bass Club

To: All Members Cape Coral Bass Club

From: Mike Oler, President

Date: October 26, 2020

Reference: November Events

Attention all club and prospective members,

Congratulations to the 2020 Cape Coral Bass Club Team Trail winners, Jim Blackwell and Doug Stevens followed by 2nd place winners Chris and Jon Petrey. Total weight difference between the two teams was only .09 pounds or 1.44 ounces for all four tournaments. Total weights for all teams is on the website and was posted on Facebook.

Next meeting for the Cape Coral Bass Club is on Tuesday, November 3 at 7:30 PM. Get out and vote early if you haven't already done so and come on out to the meeting. Face masks are always encouraged when attending. Points will not be awarded for attending and won't resume until the March 2021 meeting. The next club tournament is Lake Placid, Sunday, November 8th.

Continue to mail in your entry fees to Lori. The earlier you mail your check, the earlier you draw your boat position at the meeting. You may pay entry fees at the meeting and be entered onto the draw list in order you sign up. We had waived late fees for those signing up at the ramp. This is no longer valid.

Effective November 1st, a late fee of \$5 per person will be collected with the entry fee paid at the ramp. This is for all regular club tournaments, including team and mini-bucks. There is no late fee for open tournaments. Get your check mailed in. One of the board members will draw for you at the meeting if you are not attending.

Our annual Lee County Sheriff's/Cape Coral Bass Club tournament is November 14th at Lake Kennedy. There is a new challenge/incentive added with a \$400 donation from Jon Black and Crazy Lures for the largest Peacock bass caught.

Any questions, please feel free to call me.

Mike
