Help continue to support these vital milestones of our faith through a gift at www.stcdio.org/annualappeal.

Stewardship as a Way of Life: "And 'to love him with all your heart, with all your understanding, with all your strength, and to love your neighbor as yourself' is worth more than all the burnt offerings and sacrifices." — Mark 12:33

Of all the gifts that God gives us, the one He wants the most is our heart. He wants us to share out of our love for Him, not out of obligation. Using our talent in parish ministry and contributing money to support our parish mission is important, but it's more important to spend time in prayer with God daily and discern how He is calling us to be generous with all of our gifts. Not just the visible ones, but the invisible ones like love, mercy and forgiveness.

Rosary is said at 10:30 a.m. before the Sunday Mass.

This year for World Mission Sunday 2021, Pope Francis stated that "once we are aware and experience the power of God's love and recognize God's presence in our personal and community life, we cannot help but proclaim and share what we have seen and heard, impelling us to be in a state of mission, a reflection of gratitude" (Pontifical Mission Societies, May 21, 2020).

Rivers do not drink their own water; trees do not eat their own fruit; the sun does not shine on itself and flowers do not spread their fragrance for themselves. Living for others is a rule of nature. We are all born to help each other. No matter how difficult it is...life is good when you are happy; but much better when others are happy because of you.
~ Pope Francis
