Welcome to ASIS

**A Word From Our
Chairman**

Greetings, I would like to thank Robert E. Howard for serving as our Chairman for years 2017 & 2018 as he did an outstanding job keeping the Chapter on track. I also want to thank all of the Committee members who assisted Robert during that time. Looking forward, I congratulate the new 2019 Board and Committee member as we have great things planned. At our January luncheon/meeting Orlando Fire Department District Chief Trenton Campbell provided the Chapter with information on bomb threats and suspicious packages. Additionally, at our February meeting/luncheon Herb Tillman of Valencia College-School of Public Safety provided a block of instruction on the management of security personnel. This lecture was our first educational block of instruction where attendees received one educational credit towards their professional certifications.

Looking forward, we have a full event calendar for the remaining year with SOAR Awards; LEO Awards, Chapter trip to Dayton International speedway, 3rd Annual Golf Tournament, presentations from the FBI, DHS, NASCAR and other distinguished presenters

As we proceed through the year, I encourage all of you to participate and provide feedback.

**ASIS International & Orlando Goals and Mission
Statement for 2019**

ASIS IASIS International Goals:

- 1) Retain, Grow and Diversify
- 2) Advance Knowledge and Opportunity
- 3) Expand and Professionalize

ASIS International Mission:

- 1) To provide the opportunity to network and interact with col-leagues and other security practitioners in a local setting.
- 2) To provide educational training and professional development for our members designed to arm them with the most up-to date in-formation concerning the challenges of today's security practitioner.
- 3) To provide opportunities for the retention, growth, and diversity of our membership.
- 4) To provide assistance in obtaining the industry's most coveted and recognized certifications, the CPP, PSP, PCI and APP.

ASIS Orlando Mission: Supporting the International Organization's Mission, by locally promoting excellence and leadership in the security management profession.

ASIS Orlando Vision: Supporting the International Organization's Vision to be the recognized leader advancing security worldwide. Also, we strive to be recognized as the local chapter leader within the state and the Southeast.

The Greater Orlando Chapter has strong roots in the community, demonstrated by Chapter Members who serve the community by pledging their time, talent and financial resources to many local organizations. Please continue giving back to our community and contributing to the advancement of the security profession. For those who are considering security excellence, come join ASIS International and our local Chapter.

We recognize that without our Members' support, we would not have cause to celebrate our 50 years of service. With this in mind, we would like to extend our most sincere gratitude to our Members for their continued commitment to our Chapter and by extension our Community. Founded in July, 1969, the Orlando Chapter of ASIS International provides a forum for Security Professionals to grow and diversity in addition to advancing knowledge and opportunity in our field. Our Chapter has a monthly meeting with speakers covering a broad range of topics on the latest Security issues. As an example of our commitment to community, during our December Holiday party we are dedicated to collecting toys for the children and the contributions are provided to the Salvation Army.

ASIS International Board Certifications

The **Certified Protection Professional (CPP)**® credential provides demonstrable proof of knowledge and management skills in eight key domains of security. Those who earn the CPP are ASIS board-certified in security management.

The **Professional Certified Investigator (PCI)**® credential provides demonstrable proof of an individual's knowledge and experience in case management, evidence collection, and preparation of reports and testimony to substantiate findings. Those who earn the PCI are ASIS board-certified in investigations.

The **Physical Security Professional (PSP)**® credential provides demonstrable knowledge and experience in threat assessment and risk analysis; integrated physical security systems; and the appropriate identification, implementation, and ongoing evaluation of security measures. Those who earn the PSP are ASIS board certified in physical security.

The **Associate Protection Professional (APP)** designation provides the first "rung" on the security manager's career ladder. It is for those with 1-4 years of security management experience and measures the professional's knowledge of security management fundamentals, business operations, risk management, and response management.

Why Earn an ASIS Certification?

- Validate your security management expertise
- Be globally recognized by your peers and industry
- Get a competitive edge in the marketplace
- Enhance your career and earnings potential
- Broaden experience and training from law enforcement and military backgrounds
- Gain personal satisfaction and professional achievement
