

“LOVING TO LEARN AND LEARNING TO LOVE”

As the school year resumes every fall, our focus returns to the topic of learning. Certainly learning is a lifelong task but more concentrated attention to is occasioned by the return to organized efforts, be they in classroom, Sunday School, weekday Bible cases or Confirmation/Pre-confirmation classes. I hope and pray that our congregation’s learning resumption is more eagerly regarded than the reluctant approach many youth have toward their public school restart. After all, our church classes portray the wonderful love, grace and wisdom of our Lord and Savior. What a joy it is to learn how much God cares for us as recorded in His changeless, up-building Word. It’s not too much to say that I love learning more about My God and Savior and I hope you do, too.

But the Scripture doesn’t only teach us how richly God loves and blesses us, it also teaches us ways we can express our gratitude and appreciation to our Lord. Jesus said, *“If you love me, you will obey what I command”* (John 14:15). We can show our delight in Jesus by loving and forgiving others, serving and giving freely, putting God’s will above our own, following Him and trusting Him as these things are both commanded and enabled by our Lord Jesus in His Holy Word. Love for Jesus leads us to an ever greater desire to read, learn and apply the Scriptures. Learning leads to Spirit-led action and thereby God is honored, praised, thanked and glorified in us, His beloved children

If you haven’t been involved lately (or ever) in one of the many Bible learning opportunities Beautiful Savior congregation offers, I urge you to ‘try one on for size.’ You may just find that you love to learn more about Jesus and then learn how to better show your love for Him in return!

Your brother, servant and fellow learner in the Lord,

 *Pastor Bob Deardoff* 

“National Youth Gathering”

A Note from Jarryn

The 2019 National Youth Gathering registration is coming soon. If you haven't heard or don't know what the National Youth Gathering is, it is an event that has been held every three years since 1980, somewhere in the US. The LCMS Youth Gathering provides thousands of youth and adults the opportunity to come together as a community of God's people to learn more about Jesus Christ, the Christian faith and their Lutheran identity. Next year it is being held in Minneapolis, Minnesota, July 11-15.

The National Youth Gathering is a huge event that doesn't just involve a few hundred or even a few thousand. No! This is an event that brings together around 25,000 youth and adults. Yes, you did read that right 25,000 youth and adults coming together to praise and worship God in one place. The NYG week is filled with sessions designed to build faith in the youth that attend. More than just sessions though, there are chances for the youth to play together in giant group games, go to concerts, participate in a servant event, and most of all come together at the end of each day and worship together with 25,000 other youth and adults.

The theme this coming gathering is "*Real. Present. God.*" In the upcoming 10 months the youth and adult going on this trip will be preparing in various ways. The Board of Youth and I have set up requirements for the youth planning to attend in order to grow their faith and bring the youth together before we leave in July. These requirements, while easy, do require a little bit of work.

For any teen that has ever felt like they are alone in their faith this event can change that whole thought. If you are a youth or if you have an eighth grader through graduating senior this year, I encourage you to encourage them to attend this event. It can and has been life changing.

Our next meeting is Sept. 23 at 1 p.m. If you or your youth are interested in attending, please contact me and we can discuss the upcoming gathering.

In Christ,
Jarryn Wiley-Pearce

Sunday School Leaders Needed

The Board of Education and DCE are campaigning for Sunday School Leaders and Helpers for the 2018 & 2019 school year.

We are looking for people who like to have fun, are energetic and have the desire to teach Sunday School kids. We are looking for several positions within Sunday School. The curriculum we have been using for the past few years has been *Group Publishing*. They do a fantastic job of laying out the curriculum for each section of Sunday School. The curriculum is laid out so that it is easy to follow, gives several options, and can be taught in the way that is easiest for you. Each week we focus on a different Bible Story using Storytime, Craft, and Songs.

If you know leading Sunday School is not for you, but you would like to help, we need leader assistants as well. This position means you do not have a lesson planned for each Sunday of the month, just that you are willing to help the leader during class time. The biggest requirement for this position is the you are willing to laugh with the children and help as the leader needs.

The position we need to fill by the end are August are:

Craft Leader and helpers (2 would be best)

Story Time Leader and helpers (2 would be best)

Music Leader and helper (1 for this position)

We would like to have positions filled by the end of August so there will be time for leader and helper training for the upcoming year. If you or someone you know would like to get involved, talk to DCE Jarryn or the Sunday School Superintendent Deedra as soon as possible.
