Our Lodge scholarship application deadline is Friday May 19th. We now offer 2 competitive scholarships. **The Lodge Regional Scholarship**, which is open to graduating public high school student of Italian heritage from North Haven, Hamden, Wallingford, and North Branford, who wish to further their education at any college, university or trade school. This is a competitive scholarship with an application and scoring process. **The Neil Velleca Senior Scholarship**, awarded in honor of the Connecticut Grand Lodge President who was responsible for the formation of our Lodge #2805. This scholarship is open to graduating members, or the graduating children or grandchildren of members, who have been active in the Lodge for at least two (2) years, and who wish to further their education at any college, university or trade school. This is a competitive scholarship with an application and scoring process. Points will be given based upon participation in our lodge, by the applicant and their families. Additionally, each graduating high school senior who is, or whose parents or grandparents are lodge members, will be recognized through the **Lodge Awards Program**, provided an award application is appropriately completed and received within the specified time frame. Please see Dave D'Aniello for more information.

We look forward to having fun at upcoming events. See Info in Newsletter, email alerts, and website. Help is always welcome and participation is appreciated. Please join a committee.
