Story & Toddler Time

October was a busy month at the library!

The kids have been having so much fun at Story Time. They've become the best of friends, everyone holding hands and dancing together during the good morning song and dance along activities.

The kids are quite excitable, but are so well-behaved and love interacting with the stories we are reading.

It's actually so much fun playing with our voices, too. We whisper to the them and have them whisper back; we've just used our hands to talk; and we've been really loud!

Toddler Time is such a young group and they're adjusting to the process of sitting and reading. They've done so well when it comes to listening to the stories. We have a few who love to answer questions and others who just love to sit and watch. Getting them up and dancing has been a challenge. They're a shy group, but they also just love to stand and watch the dance along videos on the tv.

They are all so cute!

We started out the month with Fall colors, learning about the leaves and change of the season. Then we had Fire Safety Week and had a wonderful visit with the Nemaquin Volunteer Fire Department. The kids LOVED that! The little ones got to see the ambulance and loved make the sirens chirp!

We counted with Pumpkins, reading 10 Orange Pumpkins, and the kids had so much fun reading along with us. They were great helpers keepings us on track when pumpkins went missing.

We had to most fun this month during our Halloween Parties! Everyone dressed up and looked so cute! We read a fun story about Halloween Day; the little ones went Trick-or-Treating around the Library while the big kids went around town.

Then we danced to fun Halloween songs, ate pizza and had an absolute ball!

Tuesdays and Fridays are always busy at the library, but those are the best days out of the whole week!
