REVIEWS

“Regulars vow everything is consistently good
and the portions are huge.”

- Metromix Detroit

“One good takeout meal.”

- Molly Abraham, Detroit News

“This restaurant was recommended to me and I
decided to give it a try today at lunch. I am so
glad that I did. The gentleman that served me
was kind, efficient and helpful. The food was
excellent (Cashew Chicken), and the price was
not too bad either. It is a small carry-out only
establishment, but I would recommend them to
anyone in the area looking for Szechuan for
lunch.”

- Customer Review, InsiderPages.com

“Not your average Chinese carry-out restaurant.
The portions are generous and the food
delicious. It's four-star Chinese food at a fraction
of the cost. You can taste the excellent quality of
the ingredients.”

- Customer Review, Urbanspoon.com
