About Our Studio

Dancing Unlimited is owned and operated by Beverly Hauldren Barnett and is currently celebrating 39 years of dance instruction in the Hurricane community. Dancing Unlimited is a full-service dance studio offering instruction in Ballet, Tap, Jazz, Hip-Hop, Pointe Technique and Stretching/Conditioning.

Dancing Unlimited offers 35 classes per week, ages pre-school to adult including beginner to advanced students. Additionally, we also offer Mom and Me for children ages 18 months to 3 years.

We have 11 Competition Teams.
Competition Teams are by invitation only.

Our goal is to bring the joy of dance to everyone that walks in the front door of our studio. At Dancing Unlimited, everyone matters! We strive to make everyone their personal best. We provide a safe and nurturing environment for our dancers as we develop our students in confidence, character and creativity. It doesn't matter where you begin but where you finish!

Children move naturally. They move to achieve mobility, they move to express a thought or a feeling, and they move because it is joyful and feels wonderful. When their movement becomes consciously structured and is performed with awareness for it's own sake, it becomes DANCE.
