Dear Jack,

As another Southwest Florida "season" ends, it is with gratitude and humility that I say "Thank You" once again for your incredible support of healthcare in our community. Each year I am reminded of what a special place Southwest Florida truly is, and how fortunate we are to have generous individuals like you who give of their time, talent and treasures to make our community a better place.

Let me share a few numbers with you as a result of this season....

\$15 Million

That's the amount of money remaining to fulfill the \$100 million pledge the community made to help build the new Golisano Children's Hospital of Southwest Florida. Only \$15 million remains to meet our goal! Who said it couldn't be done!

75

That's the number of days remaining in the \$1.2 million match presented by Southwest Florida Children's Charities. When the organizers of this year's Southwest Florida Wine & Food Festival presented their \$3 million gift to fulfill their \$10 million pledge, they added a twist by saying they will match dollar-for-dollar all gifts made by July 31 to the Golisano Children's Hospital Capital Campaign. So the countdown has begun!

4

That's the number of months until September 9 which is the official date for the Topping Off Ceremony for the new Golisano Children's Hospital. On that day, the final construction beam will be put into place and the focus then turns to finishing the interior of the new Children's Hospital.

I thank you again for all that you've done to support Lee Memorial Health System, the Lee Memorial Foundation, and the Golisano Children's Hospital of Southwest Florida. Have a wonderful, safe and healthy summer!

In sincere gratitude,
