Major: Business Administration

2020-2021: Junior

Academic and Extracurricular Highlights:

- **4.00** College GPA
- Senior Assistant Manager - Full-time position at Under Armour

Quotes:

"...I always appreciated ... her diligence, honesty and humbleness. She was reliable and that led me to assign several additional tasks which would normally have been handed to staff members of a higher rank. She never disappointed and she always delivered on time....I believe whatever her next endeavor is, she will do an exceptional job." **Alexia Warner** - Area Manager - Under Armour

"I [cannot] begin to express the gratitude and honor I feel for being awarded this scholarship. I have been pursuing my college degree for some time now, and it has always been my goal to graduate with little to no debt. Thanks to this scholarship, I will be able to transfer and continue my pursuit at a 4 year institution with the peace of mind I need to solely focus on my studies. It is truly a blessing to have come across the Anchor Scholarship Foundation and be given the opportunity to take advantage of its benefits. I am beyond thrilled for this new adventure and I have faith that one day in the near future I will be on the other side with our donors paying this forward." **Valeria**
