#### **Lodge Building Improvements**

*The Lodge has seen some upgrades this fall, including new furnaces for the main level, along with a new, accessible front entrance and a brand new sign. These improvements were made possible by the generous memorials of dearly missed brothers; most recently Gary Raybern, Bill Loehrer, and Don Clement. Their generosity speaks to their reverence to the Fraternity and their Brothers. See [www.westbendmasoniclodge.com](http://www.westbendmasoniclodge.com) for some color photos.*
