FEATURES

- **NO SCRUBBING**
- **READY-TO-USE**
- **ENVIRONMENTALLY SAFE**
- **PLEASANT “FRESH” FRAGRANCE**
- **STAINS MELT AWAY INSTANEOUSLY**

USE AND DIRECTIONS

Works instantly on most surfaces. Simply spray on, wait a few minutes until stains disappear, then rinse. Repeat if needed. In close areas, such as bathrooms, spray on stain areas, leave long enough to let dry. Upon return, stain will be gone. Not recommended for clothing. Do not use on cotton or wool. For all other fabrics, test small areas first as discoloration may result. Avoid contact with clothing.

FOR USE ON PR-PAINTED SURFACES: Brush, sponge, or spray pre-cleaned and rinsed surfaces. Allow to dry, then rinse with clear water and dry again before painting.

CAUTION: Do not use on surfaces coated with old lead or oil paint. **DO NOT MIX WITH OTHER CHEMICALS, ESPECIALLY AMMONIA OR ACID BOWL CLEANERS,** as this may result in the release of hazardous gases.
