

James A Jesikiewicz, ERPA

Owner – Pension Plan Consultants LLC (www.PPC-TPA.com)

Jim is the owner and founder of Pension Plan Consultants LLC (PPC) in 2009. A graduate of Kings College in accounting and has obtained the ERPA (Enrolled Retirement Plan Agent) approved by the IRS to practice before the IRS on retirement plan issues. Jim has worked in some form of the administrative services industry for the last 20+ years.

He possesses an overall perspective of the industry and of the plan administration process. His years of experience provide him with expertise in the design and implementation of new plans and the transition of takeover plans. Jim's practical knowledge base enables him to assess clients' needs and helps them to select from a variety of plan options. As an account executive, he maintains a direct involvement with accountants, clients, attorneys, and financial advisors.
