

Do you know a potential skater or do you want to learn to skate

For those who just want to learn to the fundamentals of skating to just skate, play hockey or figure skate.

Beginners of all ages are introduced to skating through a Winter Session (Jan 8th to April 2017). Programs include a weekly group lesson with a professional coach, learning skating fundamentals through US Figure Skating Association's [Learn to Skate USA](#) program along with an open skate time to practice. [Learn to Skate USA](#), an enhanced Basic Skills Program, launched on June 1, 2016, and is the only beginning skating program in the country endorsed by U.S. Figure Skating, USA Hockey, US Speedskating, Special Olympics and the Professional Skaters Association (PSA). Participation includes an end of season program highlighting skills learned.

Learn to Skating is \$140 per session plus the USFS Basic Skills Membership of \$12. Winter session starts January 8, 2017 at the Whitestown Community Center on either Sunday at 5 PM or Monday at 5 PM with practice time.
