

Workshop Registration Form

Midsummer Farm and Barbara Taylor Health

Midsummer Farm workshops are taught from a strictly Holistic and Organic standpoint. Class size is kept small to ensure individual attention. Fees include all materials and supplies needed. Children are welcome; children under 5 are free. If more than one person from a single household is taking the workshop together, the second person may deduct \$5 from the cost of the workshop. Many classes take place outside in the gardens and are weather-permitting. Participants must register 1 week in advance. Cooking classes are hands-on and tasting is encouraged. Please visit www.midsummerfarm.com for a full list of current workshops.

Your name: _____

Phone number: _____

Email address: _____

(please print very clearly!)
