

# Lighthouse Quilters Guild

*Sew on and Sew Forth*

Welcome to our new members. If you are not getting that "included" feeling, let us know and we'll try to work things out. It may be a long way off but our October quilt show is a way that you can be a participant and not just a spectator. There will be many, many volunteer opportunities,

March is National Quilting Month and the 18th is National Quilting Day. This day recognized quiltmakers and their abilities and is celebrated on the third Saturday of March. The National Quilting Association started this day in 1991 and since then it has grown into a global celebration. Be sure to celebrate by shopping on line or at area quilt shops.

It's also National Craft Month. There are so many choices to be had. If you're thinking of learning something new, sign up for a class. Otherwise just go to lunch with a friend and enjoy the day.

*Until next month...I am grateful for all of you because you don't roll your eyes when we talk about quilting. - Anonymous.*

## February Program Notes

I hope you all enjoyed the February program and had a chance to reflect on all the relationships we build and nurture through our interest in cloth. Because the program ran late I did not get a chance to share everything that I had prepared, so it is my plan to add the information in the rest of the year as time allows.

I touched on charity sewing as a way to join a small group. Our local quilt shop Sew N Save has a wide range of opportunities to get involved. See the list below and tell Jim that Regina sent you.

Hugs for Kids – Stuffed animals to give to kids through Mount Pleasant Police Dept. and other charities.

Angel Gowns – Wedding dresses taken apart to make gowns for babies that have passed away.

Placemats for Meals on Wheels - Mittens for Kids at Racine Unified

Pillow cases for HALO, Bethany House, Woman's Resource Center - Homeless Vets

Quilts for Soldiers and Kids who have lost parents in the military

Quilts for Homeless vets in Union Grove - Hats and Mittens (knit) for HALO and Vets

Helping kids from Unified's transition program for mentally challenged children.

There is still time to sign up for the Jack's Chain workshop by our March speaker, Sue Pawlowski.

Please contact me immediately, [ginarsb@yahoo.com](mailto:ginarsb@yahoo.com), for your pattern because there is a small amount of homework before class.

# March Workshop

Class Date: Monday March 27, 2023

Time: 10:00 – 4:30. 30 minute lunch break

Cost: \$50 members \$55 non-members

PDF will be emailed to you when you sign up for the class. Some piecing is required before the day of the class.

## *In Case You Missed It*

---

I must repeat, repeat, repeat until positions are filled - .President, VP of Planning and Publicity board positions remain unfilled. This is your opportunity to join the board and share your ideas that will make our guild the best in southeastern Wisconsin.

Are you aware that March is National Quilting Month and National Craft Month?

On-line and area shops can certainly entertain you with new ideas – not that we need any.

Our “Miss (Regina Scott) Brooks” certainly did an excellent job of entertaining and informing us of small group possibilities. The Cupcake Crew are, in my book, overachievers. Good job ladies.

The first workshop of the year is scheduled for March 27.

If you are not able to attend this one watch for future offerings.

Keep up to date and informed of our guild’s goings on by reading your newsletter.

If you have any questions or concerns, call me.

# 2023 Lighthouse Quilters Guild Challenge

## "Dresden Plate"

The Dresden Plate features wedges set in a circle. According to [Barbara Brackman in \*Encyclopedia of Pieced Quilt Patterns\*](#), the traditional Dresden Plate was popularized in the 1930s with block names related to flowers like Aster and Sunflower. However, the block can trace its roots back to Fan blocks popularized in the 1880-90s and common in crazy quilts. In the beginning, the fan blocks featured wedges creating smooth-edged quarter circles. As the trend grew, so did the variations.

Join in the fun and create a Dresden Plate quilt! Quilts in this show category may only be entered by members of the guild and will be judged and awarded ribbons as with other categories.

Quilts entered in this category must comply with the following guidelines:

1. Entrant must be a member of the Lighthouse Quilt Guild in good standing (i.e., dues have been paid) for the 2023 guild year. Each member may enter only one quilt in this challenge category.
2. The quilt must have been completed within the last four years (2019-2023).
3. Entry must include at least one complete Dresden plate consisting of at least 8 blades that adjoin to make one complete unit in the quilt. Plates need not be circular, they may be elongated (e.g., oval or "wonky"). For example, any of the blocks in the picture above would qualify as a complete Dresden plate unit. A quilt made up of only partial plates or fans that does not include at least one complete Dresden plate unit would not qualify.
4. Must have a top, batting and back.
5. Must be a quilt, wall hanging or table runner that lays flat – no tote bags, garments, purses, stuffed pillows, or other 3-D items. A pillow sham or pillow cover could qualify if it can be removed from the pillow itself and can lie or hang flat.
6. A hanging sleeve is NOT required.
7. Edges must be finished.
8. May not exceed 150 inches all around. Can be square, rectangle, round, oval or whatever shape you like.
9. Must have some sort of quilting holding the 3 layers together. Hand, big stitch or machine or any combination of your choosing.

Please contact Mary Wolter ([marywolter@hotmail.com](mailto:marywolter@hotmail.com)) if you have any questions.

# *Guild Meeting Minutes*

---

February 27, 2023

Meeting called to order at 7:10. Pat Henningfeld explained what happened when January meeting was canceled – church did not have us on their calendar. Seven new members introduced themselves. Sue Lerch announced that Mukwonago Crazy Quilters had their raffle quilt displayed in the back of the room. Raffle tickets for the quilt and a sewing machine are being sold.

Regina Scott Brooks said the “Then and Now” program has been shifted to the Rummage Sale program in September. Announced that the theme for this year’s guild programs is “Friendship Through Cloth”. She talked about how when she went to her first guild meeting, she felt that people were not friendly and wondered if she wanted to keep going. She wants to make sure our new guild members are welcomed with warmth and friendship, and that we hopefully can use this year to get to know each other better. Regina didn’t take over as VP of Programs until October and she’s trying to fill in the program calendar for this year. In the past, guild members did some of the programs and workshops, so that is always a possibility.

Program tonight was about small groups within the guild. Regina introduced “The Cupcakes” – Regina, Stevie Breit, Autumn Latimore and Linda Worman. They have been a group for about 15 years after two members of their group met at Walmart while one of them was looking at a quilting magazine. Her group showed 15 years of their annual “challenge quilts”. Other small groups included Sue Causey’s group of four people which started as quilted jacket makers and has since moved on to small scrappy art quilts. Barbara Vallone talked about her 25 years of arranging quilt camps at Camp Zion, Lutherdale, Conference Point, DeKoven and St. Iakovos Retreat Center. Ginger Wanserski and her sister, Catherine Rolfson, have a group called “Twisted Sisters” where they rotate houses and do hand sewing, round robins, and other group projects. Their numbers have gone up and down for 19 years. Claudia Grace introduced herself as a STITCHER, NOT A QUILTER !!!, but she joined Lighthouse Quilters Guild with her sister, who is a quilter, so there is hope for her yet. Her stitching group has met once a month for about 15 years. Grace Kragness talked about the “Erie Street Quilters” which started out as a modern quilt group in 2015 and they get together once a month at a church to sew with their machines all day. When Grace joined the group, she did not do modern quilting but vowed to “Be brave enough to suck at something new.” Jennifer Clingaman talked about her group, the Wednesday Wannabees, who make quilts for foster children.

The business meeting began at 9:05. Hospitality update: It was decided that instead of members bringing treats every month as was done pre-pandemic, we would now bring a pre-determined food item as announced in newsletter for the Food Pantry, which Autumn Latimore will deliver every month. Grace Kragness introduced the budget that was published in January and February newsletter. Mary Wolter made motion to approve budget, Barb Vallone seconded, motion passed. 48 people attended the meeting plus 16 through Zoom.

Meeting adjourned at 9:30.

- *Debbie Blaustein*, Secretary

## Photos from the February meeting

Quilters line up to join and re-join LHQ!

Welcome new members!!!!

“The Cupcake Crew” – Regina Scott Brooks, Stevie Breit, Autumn Latimore and Linda Worman gave a four-quilter trunk show of their creations made over the last 15 years. One of them selects a pattern and then they all create their own interpretation of it.

They are quite a prolific group—we saw a LOT of quilts.

Several other groups showed and told—but the photographer ran out of battery before their presentations (my apologies)
