If you are looking for **Your Next Stud** that is a complete **Combination of Substance, Bone** and a **Teddy Bear Personality** then look no further. **MSF Pistol Pete's** pedigree is packed with llamas that have brought us to where we are today. His dam won the **Celebrity World Futurity**, his grandsires are **Mystery's Timone** and **GNLC Crocket**. He also goes back to **Nutcracker, Tuna Catcher, Crown Jewell, Etoi** and **GNLC Merlin!** Due to the pandemic, Pistol Pete had a rather limited show career. He was **2nd Heavy Wool Juvenile** at the 2020 National Show behind another one of our males. He won a **1<sup>st</sup> at the 2021 MLM Show** as a yearling heavy wool. His maternal sister, MSF Magnolia is our **#1 Show Juvenile Female** this year. Once again **Consistency in the Pedigree!**
