

2020 Mini Indy Speedway Tire Competition Guidelines

- Left side tires must be a currently manufactured tire by Hoosier.
- Any compound and size may be used on the left side.
(Per Appendix 1 Section 703-F, USAC Rulebook)
- Right side tires must be manufactured by Hoosier and A35-NY1 Compound.
(Per Appendix 1 Section 737, USAC Rulebook)
- Tire samples may be taken at any time. Mini Indy Speedway **WILL NOT** reimburse.
- Tires must be in “As Manufactured” condition.
- Durometer readings may be compared to a measurement benchmark at any time.

NO TIRE TREATMENTS.

NO TIRE WARMERS.

NO GRINDING, DISFIGURING, CHEMICAL COVERING, OR PERMANENT ALTERING OF SIDEWALL PERMITTED.

Mini Indy Speedway reserves the right to change the tire competition guideline at any time and without prior notice.

If any of the above guidelines are violated, you will be subjected to disqualification and possible banishment from all future Mini Indy Speedway racing events.

Further information may be found in the 2020 Mini Indy Rules and/or Deviations.

By signing below, you understand these rules and agree to abide by them.
