

Become a Volunteer

When you attend a function or come to see a show at the Ritz

Theatre, the many talented actors and volunteers are the people that make each event memorable. We have many special people working behind the scenes to give you the satisfaction that you receive when seeing a show, hold a meeting, catch a movie, or attend a community event.

There are many ways that you can help out as a volunteer. Those roles can vary from assisting backstage, helping the audience, being a part of the production team, assistance with administration roles and more.

To become a volunteer or learn more, please contact:
