#####

In checking Brinkerhoff's county history on another matter the other day, this item popped up. Having just paid our property taxes and the second quarter of our income tax, it struck a note of envy. According to Brinkerhoff, up to 1838 there had been no delinquent taxes in the county, however, in that year the following list was returned as not having been collected:

Samuel Forkman	\$.50	
John Simpson	.67½	
L. Farthing	.37½	
Asa Ballard	.25	
W. Gaultney	.50	
Isaac Barr	.12½	
M.C. Wells	2.80	
H.G. Burrow	.35	
John Saunders	1.30	
John Carter	.37½	
James Homes	.20	Holmes?
Leven Wootener	1.20	Wooters?
