

## **November Business Meeting Minutes**

**11/2/2015 Start time: 1900**

**Minutes taken by: Glenda Owens**

### **Members Present:**

**Brenda Dunlap, Debbie Busby, Gary Wolfe, Jack Holley, Marie Holley, Lisa Thrower, Michelle Brown, Thomas Thrower, Dwayne McDuffie, Dustin Coogle, David Dunlap, Jerry Yeagley, Larry Cleveringa II,**

Motion made by Dustin and seconded by Lisa to accept October's business meeting minutes

Motion made by Thomas and seconded by Lisa to accept October's treasurer report

**Per Debbie** – Relay for Life is Saturday May 14<sup>th</sup> 2016 from 11AM to 10PM. Every person in the department has been signed up to participate. Our theme is "racing for a cure." The chili committee and the chili fund raiser were canceled due to time span being too short to get it organized. The fundraiser is now projected for some time in January. From 1PM to 4PM on November 14<sup>th</sup> Bagdad's fall festival will be held, we will be doing fire prevention at this event. The sign up roster is on the dry erase board in the meeting room be at the station at 12. If you can come please sign up. For Operation Santa, Michelle will be Santa 1. Dustin will be Santa 2.

Thomas made a motion to spend \$500.00 out of the volunteer account to buy candy for both the Christmas parades and Operation Santa. Motion seconded by Dustin. No further discussion. Body agrees. Motion carries.

**Per Lisa** – I will start taking copies of your pictures for the Relay for Life cancer board as of tonight and will continue to accept them through April. Please get them to me.

**Per Glenda** – The making strides breast cancer walk went very well. Kudos to those who participated. We received a lot of positive feedback for being at the event and walking 3 miles in full gear and SCBA. We had 2 structure fires in October. Good job to all those involved. See the October call report for breakdown details. The LZ light situation has been resolved. Both Engine and Rescue now have 5 lights. Day crew will not be on shift on Thanksgiving. Day crew has been working on hydrant location and testing and has now completed. I have already started working on putting the information into E.R. so that it is available to everyone. All 3 of the hydrants on Churchill Circle have been turned off due to theft issues. The hydrant in the cul-de-sac on Oyster Bay Drive as well as the hydrant at Mercy lane/Grove Street and 4023 Gordon Wells Drive are all out of service. There is also a flush hydrant at 1708 St. Mary's Bay Drive that is out of service. The Prefire plan books have been updated. Please get familiar with them. If you see a building that needs to be added to it please let me know. I'm going to leave the signup sheets for tee-shirts in the watch room until December's business meeting. If you would like to get one or both of the shirts you now have until December. Volunteers needed advertisement has been posted on FB and the website.

**Per Thomas** –No truck checks this month due to Thanksgiving.

**Per David** – Please try to make yourself available these next 2 months for trainings and events.

Meeting adjourned at: 2005
