

Permission form to apply over-the-counter sunscreen or lotion

Parents are encouraged to apply sunscreen/lotion to their child at home, before coming to school. Sun protection apparel such as a flap hat or baseball style cap is suggested.

You may send in a container of sunscreen/lotion which will be applied to your child while he/she is on the playground. This container remains at school until the end of the year. Because children may have skin reactions to the various types of sunscreens/lotions, these items may not be shared with any other child. If you have any questions, please call or email Andrea Rossick, Head of School.

Please note the following:

- The playground has areas of shade and areas of full sun.
- The school **does not** provide sunscreen/lotion.
- A signed and dated permission form must be on file before any sunscreen/lotion is applied to your child by our staff.
- Children **may not** apply sunscreen/lotion by themselves.
- The sunscreen/lotion must be clearly labeled with the child's name and secured in a plastic Ziploc-style bag. Please hand the sunscreen/lotion directly to a staff member.
- Sunscreen/lotion **should not** be placed in your child's backpack.
- Our staff apply sunscreen/lotion to one child at a time using gloves.
- Sunscreen/lotion may only be applied to unbroken skin.
- Gloves are disposed of before sunscreen/lotion is applied to the next child.

Child's name: _____

Parent's/guardian's name: _____

Parent's/guardian's signature: _____

Date: _____ (valid for the current academic year)

Exact name/brand of sunscreen/lotion: _____

Has this exact name/brand of sunscreen/lotion been previously applied to your child? _____
