Dear Returning and Potential New Sponsors:

It is once again time to start thinking about the Arcade Area Youth Soccer, Inc program. This year will be our 42nd season and we look forward to another rewarding and fun-filled summer of soccer! We will be playing all games at either the Pioneer Central High School, Middle School, and Central Baptist Church fields. Games will be played on Monday and Wednesday nights throughout the months of June and July for a total of 12 games.

We are again looking to offset the cost for our players with corporate sponsorships. This allows us to keep the price per child that same as last year, \$35 for the first child, and offer reduced pricing for families with more than one child. This year we are hoping to offer an additional discount for families with more than 2 children participating in the soccer program as we believe physical activity and team play are essential for all children.

This year, the fee will be \$200.00 per team sponsorship. This fee includes your sponsorship's name on the team shirts and your name on the soccer schedules as well as mentions on our website and Facebook pages throughout the year. We also have the option for referee sponsorship for \$80. This fee includes your sponsorship's name on a referee's shirt and as well as mentions on our Facebook page throughout the year.

If you interested in sponsoring, please fill out the attached form and make your check payable to "Arcade Area Youth Soccer, Inc." and mail to the address below. The deadline is March 15, 2024. We will do our best to accommodate your requests. If you would like to receive future sponsorship requests via email, please complete that line item on the sponsorship form. This form is also downloadable at http://aaysoccer.com

We would like to thank you in advance for your financial support of this recreational activity. Last year we had over 402 children participate in our program, with 30 teams and 12 referees. Without your support to this league, we wouldn't be able to "Keep'em Kickin"!!

If you have any questions or concerns, please do not hesitate to call us at (716) 353-2366, Richard Zink.
