

## YOUR GIFTS ARE NEEDED!

Lister-Sage Community Center (LSCC) depends on donations given through the Hay Springs School-Community Foundation (HSSCF) for basic operations and facility maintenance.

The primary areas of need include:

### Basic operations & facility maintenance

\$30k is needed annually for utilities, insurance, and general maintenance like painting and repairs.

### Facility improvements

Since being built in 2004, improvements to the facility have included the addition of tables and chairs, room dividers, and fitness equipment. The fitness center requires ongoing equipment updates.

### Landscaping

Stormwater runoff from around the facility causes damage to streets and alleys. Planning is underway.

### Scholarships (HSSCF)

In addition to the needs of LSCC, your donations also help fund continuing education scholarships for graduating Hay Springs High School seniors. Award amounts are determined by your donations.
