Maintenance Treatment Program Contract

- I authorize Dr. Jocelyn Joy, DAOM, L.Ac. to invoice me on the 1st of every month via Square™ in the amount of \$60USD.
- I will pay the invoice in full either online, by mail (a personal or bank issued check), or in person by the 3rd of each month I am in the Club Joy program.
- I understand that this program is *restricted to patients who have completed the Acute and Correction Phases of Care and are now making regular monthly appointments to maintain their progress.*
- I understand that 2 additional treatments may be purchased each month at \$50USD each.
- I also understand that if I am injured again or in a severe flare-up, I will need to pay the regular cash price for any treatments after 3 visits a month covered by Club Joy, or purchase a treatment package of 6 or 10.
- I will schedule out a treatment a month for at least 3 months in advance.
- Since Joy Acupuncture has a text/email reminder system, if I miss an appointment (No call/No Show or Less than 24 hours notice) it will be forfeit but I can have another appointment or two at the cost of \$50USD.
- Late arrivals are subject to normal Joy Acupuncture policies.
- I must use my maintenance acupuncture treatment(s) in each calendar month I am a member of Club Joy, they do not rollover.
- I can cancel my membership via phone (619-322-4492) with a 30 day notice of termination.
- Dr. Jocelyn Joy, DAOM, L.Ac. is the final authority of my qualification for and continuance in Club Joy and may terminate my membership at any time.
- This program is not available if you are using insurance, but is an option after your insurance benefit will not cover services.
