PRESIDENT'S MESSAGE

Dear Gascarians,

“Warmer weather is on the way with GaSCar USA.”

I want to thank you again for your continued thoughts and prayers for me these last several months; it has been a long and slow recovery after surgery. As we get older,

we have many new challenges that, at 30 or 40, we never ever thought about. Whether, you are very healthy or under a doctor's care, we must take the next step forward to complete our life's purpose.

That said, I am looking forward to a fun summer with you, GaSCar.

The February meeting was very good, with Henry Jones telling us about his insurance company that took care of his Mustang and got him back on the road. Good job, Henry! After the meeting, we all enjoyed delicious snacks, thanks to Jimmie and Linda Adams, and Jim and Hattie Ouzts.

Members enjoyed a “lunch away” to Juniper's Restaurant in Ridge Spring SC. But first, we took a tour through a custom cabinet company. And we also had a ride through the blooming peach orchards. There were 36 GaSCar members, and we had a great time.

On Saturday, March 14, we plan to attend the Strom Thurmond High School car show. Tony Frazier, the Automotive Club Instructor, hosts this car show along with his students. Time is 11:00-3:00. There is a \$20 registration fee, and you can pay there, if you choose. I sent the forms online a week or so ago for you to print and bring with you. Then, that evening, nine GaSCar cars will park at the Elk's Lodge. This is the location where “Exceptional Needs” students will be having their prom. It will be fun for the students to pose for pictures with the cars parked there. This will be another community service that GaSCar

provides. We will enjoy the evening, along with the students. Bring your chairs, so we can watch the festivities.

March 17, will be a very busy day. The St Patrick's Day Parade will start at 2:00 p.m. Plan to be in the parking lot of James Brown Arena no later than 1:00. Look for our group. Green anything is appropriate! Then on to our March casserole supper at Fox Appliance, 6:30 that evening.

We always have a good turnout for our casserole supper. Come early to get your favorite seat. You can also help set up and then take down after the dinner.

Make sure to put SnoCap on your calendar for the last Saturday of March, beginning March 28. Kiokee Cruisers is April 25, and please be preparing for our garage sale on May 2. John Moore
