

* Solution- Management can recommend that smoking resident place something at the bottom of the door keeping smoke from escaping apartment. Apparatus needs to be placed under the door from the inside not the outside.

Laundry Rooms

Fan needs to stay on. There is one day on the weekend that the trash isn't emptied.

Name Tags-

New resident reported that receptionists should have name tags.

AL elevator- part was ordered from continental America and should be here in the middle of next week (First week of April).

*Do not cover pool table (on the 3rd floor).
