*★  
Light Up A Life '22*

We are a Non Profit 501c3 Organization devoted to support Hospice related end-of-life needs, as well as, bereavement services for children, teens and adults. For over 20 years we've celebrated our annual tree lighting ceremony on the first Thursday in December to Honor/Remember our loved ones who have died. The tree lighting is our primary fundraiser, along with donations, that allows us to continue helping those in need.

Covid-19 taught us to adapt and we began to present our Tree Lighting as a virtual event that was uploaded to YouTube and Facebook, allowing family and friends from all over the country to watch the presentation together in the comfort of their own homes. This year we are going to have our event **in person** on December 1, 2022, at 6:30pm at Brooker Memorial located at 157 Litchfield St., Torrington, CT. At that time we will record the event and then post it **virtually** on YouTube and Facebook on December 8th. This will allow family members (or board members) to place the stars on the tree in person, as the loved one's name is read. Then they can watch and share the event on the following Thursday. Please use this link <https://www.youtube.com/watch?v=6K1mw5kJ3yA> to view last year's tree lighting event.

We invite you to become an Event Sponsor where your generous donation will be acknowledged in person as well as on our virtual "Light Up A Life" on Facebook and YouTube. We have several sponsorship opportunities listed below. Each gift makes a difference to those experiencing end of life issues and grief through loss of someone close.

Thank you for making a difference in the lives of your friends, neighbors and community.

Sincerely,

*Pat Diorio*
