A MESSAGE FROM WALK #127 LAY DIRECTOR

I went on my walk in February 2005; eight years after my husband went on his original walk. When he returned home, I saw a different man. He was ready for me to experience what he had just experienced, however, at that point in my life I was a homebody, and refused to leave my comfort zone. I was told by many people that I would not go until my appointed time, and Walk 75, was definitely my appointed time. I had just lost my grandmother after a long battle with Alzheimer's, and just learned that my mother was facing yet another battle with cancer. I came very tired, apprehensive, and not to mention scared to death, but I am here to say Walk 75 changed my life. The change in me opened doors that I would never have imagined. I stepped out of my comfort zone, and served my Lord in ways I never thought I would. Not only did Walk 75 change my life, I gained friendships that will last a lifetime, and added to my family. When asked to be the Lay Director for Walk 127 I felt humbled and yet unworthy, but this has been an amazing journey. God truly has had me standing in awe as He put together an amazing team. My prayer has been that each lady on Walk 127 will feel Jesus, Himself walking along side them as they take this amazing journey called the Walk to Emmaus just as each one of us felt Him walk along side us on our 72 hour journey. Over the past five years since my original walk I knew that God was with me when I was on the mountain top, and during the times that I have been in the valley. I am so grateful that I can count on my God, and that He will never leave or forsake me. As Proverbs 3:5-6 says, "Trust in the Lord with your heart and lean not on your own understanding, but in all your ways acknowledge Him and will direct your path." God has truly directed my path, and I trust him with everything!!! I thank you all from the bottom of my heart for all your support, prayers, and your service for Walk 127.

FROM THE SPIRITUAL DIRECTOR OF WALK 127

God is good...all the time!

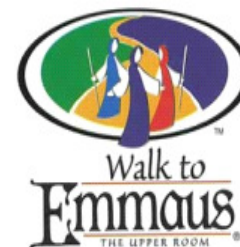

When I was asked a few months ago and agreed to serve as Spiritual Director of Walk 127, I began to pray that God would prepare the hearts of all of those who would be called to serve on the Team and the Ladies whom God would call to this Walk for a time of spiritual awakening and renewal. I believe God has been faithful to that prayer. We have a leadership team of lay and clergy that have prayed diligently for God's Spirit to pour out in a holy and powerful way during Walk 127. We have met together for training so that we might be equipped for service. And now, we continue to pray that God's anointing will be on all of us, and especially on the ladies who will be making their Emmaus Walk on March 24-27, 2010.

Every time I participate in an Emmaus Walk, I am amazed at the transformation that happens...not only in the pilgrims, but in every single one of us—whether we are in the Conference Room, behind the scenes in the kitchen, or logistics, or at Candlelight or Closing. God is always present...always at work...always doing a good and holy thing. It is humbling and it is renewing. God is at work!

And you are a part of this holy work, in no small way, through your prayers. Thank you, Emmaus Community, for making a difference in the lives of our pilgrims through your strong and consistent prayers. Through you, God is at work! Through your prayers, lives are changed and strongholds are broken through. Praise be to God for all that God is and will be doing in Emmaus Walk 127!

De Colores,

Susan Diamond, Spiritual Director, Central Alabama Emmaus Walk 127
