President Report: Teresa Ford

Hey all

We are out of the gate and heading into the first curve. What does that mean? It means: Kitsap Saddle Club is starting its 75th anniversary. It means show season is coming. It means B show. It means mini- horse clinic, jumping show and trail challenge.

Pick a favorite of yours and come on down and help us with the most exciting year for the club. Everyone working together will make this an even better year. Come on down and lend a hand. The coffee is on us.

We have an awesome bunch of people in the kitchen this year. Our very own. Family members of the year for 2018. The food is out of this world.

Dawn Fischer is heading up our trail challenge for the second year. Judge George Will be at it again this year.

2019 will be full of fun, food and, don't forget the horses. All shapes and sizes.

Come on down, lend a hand and have a cup of coffee. Hanging out at the club is revitalizing.

See you all soon. Teresa

Hello Members and Happy New Year!!!

I am still enjoying riding in the dark and the rain, headlamps are a blessing. 😊 But occasionally we get out as a family and do something fun like cow sorting at Twisted Pine! Looking forward to longer days, and fingers crossed maybe even

some sunshine 😊 Just a few more months and you will see us back at the club again. We are gearing up for a Great year of celebrating of 75th Anniversary!!! Hope to see you all out there!

Happy 2019 Everyone! I am excited for the New Year and my new position as finance. Please bear with me while I learn the ropes. This is going to be a great year!

Steward Report: Lori Vogel

2019 - Here we come! I'm excited to put the show season together for our 75th Anniversary. It's going to take ALL of us to make this a successful season - so if you have any suggestions, comments or concerns please contact me at vogman66@yahoo.com. It's amazing how much pre-work goes into getting the show season together and my hat goes off to all the Stewards who've taken on this duty in the past. (Especially Lori Powers, she did it TWICE!). Basically I'm getting my judges lined up (3 confirmed so far!), counting a bunch of ribbons so I can place my replenishment order, looking into trophies, thinking about Year End Awards, searching for sponsorships, creating all the forms, putting together advertising....and the list goes on! In my spare time..... oh, wait!

On another note: I've already sold ONE CASE of the KSC 75th Anniversary glassware. Have you gotten yours yet? Come out to the meeting in February - I'll have another case available for sale there :) Until then.....Stay on Top!

Happy New Year, and an exciting one at that. It's the Club's 75th Anniversary so there are plans to make this the best year yet. I can't wait to see how the year unfolds!

I'm currently working on the newsletter, and I will be creating events and posting flyers when ready and approved. I will post flyers and event dates and information in as many places as I can so we can try to get even more visitors to the club.

I am planning on bringing my mare to the club this year, last year things conspired against me all year but this year will be different! So come see me and my mare Dandy!
