Bari Foods has specialized in Italian imported foods for decades. In 2006 Cheney Brothers, Florida Food Distributor, purchased Bari as their imported Italian food line. Be prepared to tour their exclusive chop shop, USDA processing center of 74,000 square foot facility comprised state of the art technology and time honored traditional methods. The event will end with an educational journey through Italian agriculture by tasting varieties of olive oils, balsamic vinegars, fruits, vegetables, cheeses and preparations of all the foods witnessed throughout the day.
