Don't Forget Your Water

Our annual water service scheduled for the first part of September, sometimes called a "water communion", is beloved by Unitarian Universalist congregations and others around the world.

The water service is a UU ritual, conducted on the first Sunday in September when friends and members return from their summer travels. All are invited to bring a sample of water from their travels or water that has other significance for them. All of the samples are poured into a common bowl or vase to signify coming together again. It's a way of symbolizing that many are one, and a way of getting reacquainted.

Following is the roster for decorating the chalice table and greeting members and guests. If you cannot participate on the Sunday listed, please contact Shari Gore, 367-3142
