1164	 <p>A detailed ceramic figurine depicting a winter caroling scene. In the center, a family of four (a man, a woman, and two children) is gathered around a red sleigh pulled by a brown horse. The man is wearing a brown coat and a yellow hat, the woman is in a red quilted dress, and the children are in winter gear. A golden retriever is standing in the snow. In the background, there is a white church with a steeple and a small house. Two evergreen trees are decorated with snow and lights. The entire scene is set on a white base representing snow.</p>	15 Wide	35.00 (with cutouts for lighting)
