Subject: Minutes of January 13th, 2021 Board meeting

The Board meeting was held at the EMS Station with visitors streaming on FreeConference.com.

Present: Steve Terrill, Don Lewis, Robin Reames, Ryan Shoffstall, Clerk Sandra Yelton and Chief Adam Niederkohr. Mike Yoder was present at the request of a Board member.

Clerk Sandra Yelton called the meeting to order at 6:05 p.m. and did roll call with the following members answering:

Washington Township Trustee Don Lewis:	Yes
Lakeview Mayor Ryan Shoffstall:	Yes
Russells Point Mayor Robin Reames:	Late 6:10 p.m.
Stokes Township Trustee Steve Terrill:	Yes

Don Lewis made a nomination for Ryan Shoffstall to be President of the Board. Steve Terrill seconded the nomination. The nomination passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes

Don Lewis nominated Steve Terrill for Vice President. Steve declined the nomination and nominated Don Lewis because he felt Don had more experience than he did. Ryan Shoffstall seconded the nomination for Don Lewis as Vice President. The nomination passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes

Steve Terrill made a motion to approve the minutes from the previous meeting. Don Lewis seconded the motion. The motion passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes

Financial Report:

Clerk Yelton told the Board that as of today we have \$636,824.50 in our money market account and \$39,943.21 in the primary account.

Don Lewis made a motion to accept the financial report. Steve Terrill seconded the motion. The motion passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes
Robin Reames:	Yes

Old Business:

Ryan Shoffstall asked about the progress on the sale of the old building. Clerk Yelton told the Board that the bid was up to \$43,000 but the person who placed the bid wants to back out. He explained that his wife is going to divorce him if he gets the bid. He contacted govdeals and they told him it was up to us if

we let him back out or not. Clerk Yelton said that there were still a couple of days left on the auction and she expected it to go up at the last minute. It was decided that we would make the decision if it came down to him getting the bid. Clerk Yelton also told the Board that she had an interested person call her from Columbus and ask about closing costs and buyers premium. He is very interested but he would not be able to come up with the money in 5 days. She called govdeals and they said the only way around that is to agree that he pay govdeals their buyers premium in the 5 days and pay us when he gets the rest of the money. The Board didn't like that idea. They wanted govdeals to take care of the money.

Chief Adam Niederkohr:

We had a total of 1412 runs for 2020 which is up 143 runs from 2019.

Adam would like to hire 1 full time EMT and a hand full of part time employees. He was asked how many a hand full is and he said about 5. Don Lewis asked what our manpower was at present. Adam told him we had 7 full time including himself and probably that many part time. Steve Terrill asked what he considered full capacity and he told him 9 full time. Steve Terrill made a motion approving authorization for Chief Niederkohr to hire 1 full time EMT and up to 5 part time EMTs. Don Lewis seconded the motion. The motion passed on the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes
Robin Reames:	Yes

Chief Niederkohr asked the Board for permission to purchase a couple more pieces of equipment for the weight room. The original budget for the weight room was \$7000 but we only spent \$3000 of that to purchase a treadmill and matting for the floor. The employees would like to have a bike and elliptical machine in the room also. We have quotes for both for around \$4000. Steve Terrill made a motion to allow Adam to spend up to \$4000 on a bike and elliptical. Don Lewis seconded the motion. The motion passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes
Robin Reames:	Yes

New Business:

Steve Terrill wants to come up with a compensation for employees to try and keep them from leaving for other employment. Chief Niederkohr told the Board that he didn't have exact numbers yet. He is looking at a step program and the numbers he has are from 2020. On a step program you set it up so there is cost of living every year, then you add in longevity pay. Currently someone here a couple of years could be making the same pay as someone else who has been here 10 years. For example the Sheriff's office has a 6 or 7 step process. Each year's step they get a pay increase then they get longevity pay which is added in to their hourly pay. Adam was asked to have suggestions ready for the next Board meeting. Don Lewis and Steve Terrill volunteered to work with Adam for a compensation package.

Robin Reames told the Board that we need to change the verbage in the policy manual for the new holiday pay schedule.

Ryan Shoffstall asked Mike Yoder if he had anything for the Board and he explained that he was asked to be at the meeting by Mr. Terrill. Steve was asking Mike about forming committees to meet and bring suggestions or information back to the Board without taking a lot of time at the meeting. Mike

explained that 2 members can meet without violating any laws. He said we could have had a building committee when getting ready to sell the building and it may have made the sale go smoother. He explained that we should put together a levy committee to prepare for the next levy which really should go on the ballot in November this year.

Robin Reames asked to go into executive session at 6:40 p.m. to consider the appointment, employment, dismissal, discipline, promotion, demotion or compensation of a public employee according to ORC 121.22. Steve Terrill seconded the motion. We will come back with the purpose of adjournment. The motion passed with the following roll call:

Don Lewis:	Yes
Ryan Shoffstall:	Yes
Steve Terrill:	Yes
Robin Reames:	Yes

Ryan shoffstall asked who Robin wanted to invite to the meeting besides the Board members and she said the Chief and Clerk.

We came out of executive session at 7:19 p.m.

Public Comment:

Clerk Yelton would like to apologize to the public for the meeting not being available on FreeConference.com. She couldn't get her laptop to go to Google which she has had a lot of problems with in the last year. She called the support tech after the meeting and he had to make some changes to her computer. Hopefully it is fixed now.

Robin Reames made a motion to adjourn the meeting at 7:20p.m.
Meeting adjourned.

Next meeting will be February 10th, 2021 at 6:00 p.m. at EMS Station with visitors streaming on FreeConference.com. Please watch the paper for any changes.

United Christian Services of Indian Lake Food Pantry

2020 Year End Summary

The year 2020 was an unusual year for all of us. This virus has touched everyone's life. This summary is my attempt to explain what challenges our food pantry incurred during this pandemic. The UCS Food Pantry remained open through out this last year to ensure those Indian Lake residents in need were provided with enough food to survive.

In March, we were directed by Second Harvest to either temporarily close our door or remain open with a drive thru pick up. Our volunteers decided on the latter. The recipients were to stay in their vehicles while a volunteer took down their information. Others would then place the food boxes in the trunk or truck bed. Everyone was masked and a lot of sanitizer was used to protect all involved. Additional safety precautions were put in place such as having some volunteers come in a day early to make up food boxes. We started using an iPad to record the recipients data to expedite our delivery process.

That first week of drive thru service we had 119 recipients, normally we have 80. But after that week our numbers started to decline. Food was available all over Logan county and in some cases in larger volumes then what we provide. The quantity became low enough that our volunteers decided to reduce from 3 Thursdays to 2. We have maintained 2 distribution days to date.

In November, our organization served a record number of 234 recipients, 170 in the first week. We always have an increased number for November and December due to our distribution of turkeys and hams, but is higher than normal. It is unknown if the increase is our normal spike for holiday months or if there are more recipients in need of our services. We will continue to track our distribution and adjust as necessary.

Financially, the UCS Food Pantry is doing very well. In 2019 our donations were down \$3,500 from the previous year. This year our donations increased over \$17,000. The pandemic has encouraged our local donators to help those in need in our area. In addition, Second Harvest received federal and private donations that allowed them to provide food to us at no cost. With the financial donations and the no cost food, we were able to provide additional food to our recipients. Our financial situation is very promising for the coming year.

The UCS of Indian Lake Food Pantry volunteers would like to thank the Russells Point Village Administrators and Council Members for allowing us to provide this food pantry service to those in need in the Indian Lake area from the RP municipal building .

UCS of IL Food Pantry Year End Summary

UNITED CHRISTIAN SERVICES OF INDIAN LAKE FOOD PANTRY

SUMMARY:

Since moving to the Russells Point Municipal Building in 2014, UCS of IL Food Pantry has provided approximately 34,217 recipients with a grand total of 102,700 days of food. This could not have been accomplished without the very generous donations of food and money from this community's churches, businesses, and local residents along with the sweat equity of our numerous dedicated volunteers. Also, a special thank you to the Russells Point Village Mayor (and staff) and Village Council for allowing the UCS Food Pantry to lease space in the municipal building.

UCS Food Pantry received a grant from Second Harvest which allowed us to purchase 2 new large chest freezers and 2 new refrigerators. These new appliances increased our capability to store food and were more efficient energy savers.

If you know anyone that needs our services, please send them to our location during the food pantry open hours and we will gladly help them.

We, the volunteers at UCS of IL Food Pantry, would like to thank all of our local contributors for their overwhelming financial and food drive support that allows us to distribute food to people in need in the Indian Lake area.
