A 3FT X 4FT BOARD WILL SOON BE UP IN THE CLUBHOUSE FOR PEOPLE TO SIGN UP TO ATTEND UPCOMING ACTIVITIES. IF NOBODY SIGNS UP OR SCANT INTEREST IS INDICATED, THERE WILL BE NO ACTIVITY. This is the reason that there was no New Year's Eve Party.

Message from the manager:

At this time all the repairs have been made from the storm damage. This month the board will be voting on changes to the documents and then the membership will vote on them at the Annual meeting in March. There will be a Town Hall Meeting on January 9, 2018 at 7P.M. for information on recommended changes to the documents. One can assume there will be lively discussions as folks offer comments on each of the pending issues. Everyone is urged to attend, as this meeting promises to be both informative and entertaining. The board will vote on the changes at the Board meeting on January 11, 2018.

Please Do Not forget about the new rules that Polk County has put into place about picking up brush.

ALL brush MUST be tied up and can not be over 6' lengths and no more than 6" in diameter and is ONLY picked up on Fridays. Polk County will not pick it up if it is placed at the curb the right way.

I will be checking for this along with my weekly inspections of the association and will send out violation letters for brush at that time.
