Additional Information

ENROLLMENT FEES

Enrollment Fees are non-refundable. All openings are filled on a first-come basis. Enrollment Fees must be paid in full to secure a space for a student. The only exception is a family who applies for "Parkhurst Tuition Assistance" through the FACTS program and is then not granted Parkhurst assistance due to ineligibility or lack of tuition funds and, as a result, determines to vacate their student reservation with Parkhurst.

DISCOUNTS

When families qualify for one or more discount programs, credits toward registration or tuition fees will only be applied to a point where the amount owed is zero. At no point will one or more qualifying discount programs provide financial incentives that would result in a credit to the family. Discounts are calculated based on the original full cost, not the discounted cost, when several discounts are applied.

* ONE TIME PAYMENT IN FULL

A 5% tuition discount per student will be given for any student account that is paid in full by August 1, 2018.

MULTI-CHILD

This discount will apply to households with three or more students attending Parkhurst. The oldest two students will pay standard tuition rates, but every student after the oldest two will have a reduced tuition rate. The discount will be 8% of each specific student's tuition per year and deducted equally from the monthly tuition.

PASTORAL

Ministers in a full-time pastoral role at a recognized Christian church are eligible for a 50% tuition discount for each of their children, but they are not eligible for any other discounts. They need only submit a letter from their church documenting their pastoral status.

FAMILIES BRINGING FAMILIES

Current Parkhurst families who refer other, new families to Parkhurst who remain in attendance for a full school year in good standing will receive a \$400 incentive credit to their account on May 1, 2018. Referrals are credited to only one existing Parkhurst family account. The credit does not have cash value.

Parkhurst participates in multiple scholarship programs. We offer two payment plans for tuitions and fees in excess of scholarship funds.

10-MONTH PLAN

Tuition payments are divided into 10 equal monthly installments, due the 1st of each month and considered late after the 5th day of each month. The first tuition payment is due on August 1, 2018 with subsequent payments due on the first of each month thereafter, and concluding on May 1, 2019.

YEARLONG PLAN

Tuition payments are divided into 11 equal monthly installments, due the 1st of each month and considered late after the 5th day of each month. The first tuition payment is due on August 1, 2018 with subsequent payments due on the first of each month thereafter, and concluding on July 1, 2019. No monthly payment will be due on February 1, 2019. In February, parents are encouraged to pay re-enrollment fees for the upcoming school year.
