

## **Jackie Randazzo**

Lead Teacher - Little Seed Program

Jackie Randazzo has a gift with working with young children. She inspires children to use their imagination, engages them through meaningful and "wonder-filled" activities, and encourages them to enjoy the joys of childhood. As a teacher for over twenty years, her love of children, animals and nature dovetails beautifully with her work at HCFC. Working in a farm setting reawakens her childhood memories of exploring the forest, frolicking in the streams and riding horses at her family's cabin in Sullivan County, PA.

Jackie received her Waldorf Kindergarten Teacher's Certificate from Sunbridge College. During the school year she is the Parent Child Teacher at the Susquehanna Waldorf School, Marietta, PA. Recently, she has also worked at Samara, center for individual and family growth, located in Harrisburg, PA. Jackie is also the owner of Under the Willow Design & Rentals, a company that specializes in décor for weddings and events. She is mother to three beautiful daughters and has one sweet granddaughter. She lives in Marietta, PA, with her loving husband Randy, youngest daughter Grace, one dog, two cats, and a horse boarded at a nearby farm! Jackie looks forward to returning to HCFC for the fourth year as the lead teacher for our Little Seeds Program for our young campers ages 3-6.
