*Guests must be 21 years or older. Thank you!*

*Timmmmberrrr!*

What an exciting evening we have planned for you tonight at our 39th Annual Auction!

We encourage you to carve your name into as many trees (bid sheets) as you'd like. While you enjoy time socializing around the campsite, don't forget to join in the fun of our high-energy live auction to ensure you win that amazing fishing trip, yard package or adventure!

Our Faith Can Move Mountains has never been truer than here at St. Luke Catholic School and Church. Together over the past year and a half we have:

- Improved the school facilities with 2 new beautiful and functional water fill stations, a new intercom system, a new look for our lobby, a freshly painted gym, and sturdy picnic tables for outdoor play and class use.
- Added to our academics with a full-time PE / Health teacher, a robotics program, new math curriculum, and have created a quality middle school model.
- Furthered our community with a house system that promotes multi-age community related to our CASAS, a new logo that incorporates our 4 houses, added a hot lunch program, implemented a sustainable after-school program, and increased teacher and staff salaries.
- Secured 80% of the funds necessary for a new roof, heating and air system, and window blinds (kicked off by your paddle raise last year!)

There is so much to be proud of as we continue to work toward moving those mountains! St. Luke is a school where we teach Faith, and rigorous academics are taught through the light of faith! Your support tonight is essential to our continued mission of moving kids to Harvard and to lead saintly lives! Enjoy the evening, the sense of community and know you make a difference in the lives of all of our kids!

Blessings,

Angie Smith, Principal

### *In Recognition .*

On behalf of the St. Luke Parent Club, we would like to recognize all pastoral, custodial, administrative and school staff – especially our dedicated teachers, who work tirelessly and without complaint to ensure a safe and clean environment in which to foster Catholic education. The care and use of Rubis Hall and the gymnasium are the result of a school and parish-wide collaboration and we are most grateful.

We would also like to take this time to reflect on the generosity of the people who in the past thirty-nine years have shared their time, energy and talents with us. We are blessed to have such a supportive community that comes together each and every year to make the St. Luke Annual Auction and Dinner a success.

## *St. Luke Catholic School Foundation*

*After 37 years, Foundation exceeds \$1,000,000!!!*

The St. Luke Catholic School Foundation Board is pleased to announce that total assets now exceed \$1,000,000! School operations stand on the shoulders of many donors whose contributions have been invested over the past 37 years. Gifts to the foundation are invested, with only income from investment used to support the school. Funds are invested through the Archdiocese, along with other Catholic school endowments, where professional management and economies of scale provide all Archdiocesan schools with access to a balanced strategy of stocks and bonds. The Foundation Board has chosen a steady distribution rate of 5% regardless of fluctuations in the stock market. The current year commitment to the school is \$49,350 supporting student financial assistance and the math, science and music curriculum.

Not wanting to rest on our laurels, the Foundation Board is targeting the 2<sup>nd</sup> million dollar milestone in less than 20 years (the first Million took 37 years). Our contributors, when matched by Portland area philanthropist Joe Weston, make this entirely possible. The challenge grant at this time is \$20,000. Gifts to the foundation through the annual appeal as well as memorial gifts and bequests are all part of the puzzle in meeting the challenge opportunity.

We hope that parishioners and all community members who share the desire the support the school on a sustaining basis, will participate in the work of building this financial resource.

## *Annual Appeal*

Each year, our "Miracles in Motion" campaign helps to fund one-third of the financial assistance to our families. Parishioners, Parents, Staff, and Friends of our school freely give to this fund to keep the school vibrant and available to families of all incomes levels.

Our appeal for 2017-2018 recently started. Many matching grants are available that help augment your donation. You can help us reach our goal by rounding up your auction purchases this evening at checkout. Thank You!
