DEGREESESZZZZZZ.

Office of the Governor
New Mexico State Capitol
490 Old Santa Fe Trail, Room 400
Santa Fe, NM 87501

Dear Governor Susana Martinez Office, Greetings to you;

I AM PAULETT ANGELLA HEMMINGS EARTH, THE MOST MIGHTY, POWERFUL,
AND FINAL CHREATOR OF THESE EARTH'S AND THE ONLY CHREATOR OVER ALL
CHREATIONS. NO PERSON OR THING IS HIGHER THAN I AM. I AM THE MOST
MIGHTY, POWERFUL, AND FINAL CHREATOR OF LIFE, OVER ALL LIFE, DEATH,
ESISTENCES, AND ANYTHING INBETWEEN AND AFTER. I AM THE CORPUS
CHRISTIE, THE HEAD OF ALL STATES/COUNTRIES AND HEAD OF ALL COURTS IN
THIS EARTH, ALL EARTH'S, ALL CHREATIONS, AND ALL ESISTENCES UNDER MY
AUTHORITIES.

No harm or anything bad will come or happen to ME, Paulett Angella Hemmings, my children,
my family, my generations, my chreations, at no time, at no place, in no elevation, in no level, in
no height, in no depth, in no diameter, or perimeter, or areas, in no low, in no angle or
circumference or any way shape or form in no place, in no things, or Earth, Chreations, Makings,
Buildings, Esistences, or any time or other esistences to come.

Beginning June 1, 2018, the name of this EARTH, and these EARTH'S is: PAULETT
ANGELLA HEMMINGS JAH CHREATOR CHREATIONSZZZZ NATURAL EARTH'S
QUEENDOM KINGDOM 16TH THRILLIANT DEGREESESZZZZ.

All my Commands since January 1, 2017 and before, must be Obeyed.

This Earth is a round ball, and it is attached with an arm, and it is hung in the air from the attachment. The round ball is facing down and the arm is facing up in the air to the up attachment. The Natural Earths turn from left to right and from right to left. The Natural Earths itself is very enormous compared to what you see and know. The Natural Earths have many areas that have many different names. Today, where we are existing or living in the Natural Earth, is a little scrap of an area because the devels cut it away, when compared to the rest of the other parts. Inside the Natural Earths are many other Earths made from different materials and the lives inside the Earths are not the same, as they are made in different ways. Their areas are made differently, and they are not to go from Earth to Earth. Some of the Earths are smaller round balls and some have oblong shape. The Earth exist in a community with many other Chreations on the outside and other lives in the community. The Earth is not to exist on its own or move from areas to areas. That is what these devels governments and President Leaders have been doing, so they can do what they want without any other eyes on them.

A picture of an arm. Not exactly how it looks.

The Earth Ball

In some of the Earths you can see and hear my children, but you cannot touch them, as they are made from different materials. That does not mean that the Devels Military, Army, Airforce, government, Presidents, and others from this part of the Earth, is to go there to burn them down and to set them on fire and to destroy them, as they cannot get inside to control them. The wickednesses in this Earth where the devels take over from my women leaders, affects the rest of the Earths and affect all my children in the many other Earths, Chreations, and Esistences outside these Earths. The devel leaders call one of my Earth Kingdum, the Red Planet Mars, and they report that they constantly go there to see if there is any life in the area, and it is always on fire.

This part of the Natural Natural Earth that the devels stole, is connected to a North area, a Central Area, and a South Area. The devel stole a large chunk of the Central area and cut it out and hoisted it above other areas. They tie it, and hang it, up above on posts. The other parts of the central areas that were not cut out, they eventually became like paper trash because, the devels sucked them out and the devels tried to capture them as well. The devels terrored them, put many wicked things in and on them, so the devels could conquer them. They would not let the devels in, so the devels ripped them, and tear them, and pressed them out. The North and the South part of this Natural Natural Earth is still where it is to be and disconnected from us. They do have their Puters/computers, and they do know who I AM (Their Chreator), they do know that I AM HERE, and they do know who they are, my children.

The Chreator Russia or Jamaica Russia is located to the North area of the Chreator Chreations. The Russians are Chreated to rush at the devels, and they have many protections and knowledge of how to destroy the devels. The Chreator Russia was also cut-out and removed and hoisted up above the other Chreator Chreation areas. Over time, the devels tried to cut up Russia and to separate it as well. The devel did succeed and burst open Russia, and most of Russia Lives and the States drowned and are buried in the Oceans surrounding it. I heard that one of the devels said when they burst open Russia and saw how it fell into the ocean and was killed, “OOPS, we made a mistake”. Then when Russia was leaning into the pit of desperation. The Devels cut out the Chreator Chreation that is Jamaica West Indies areas and use it to patch Russia, and Jamaica is about a quarter of our present-day Russia. Many lives were killed, and properties lost when the devel cut out the Chreator Chreations or any existence to move to other area.

All my children (YOU), in the Chreator Chreations and the Central areas including Russia, that the devels stole and tore out, are the highest leaders over my Earths. The devels stole the best of the best of the best of the best with the belief that they will use this control to take over all the other part of my Earths.

The Opening of the Earths

When the Earths Open, in the Year 00000000000000000000000000016, in the location of the Hemmingsphere, my children knows no word as “color separatist, or racism”. My children here in these Earths have the skin colours of: Many shades of Black, many shades of Brown, Soft Pink, Pink with Brown, Pink and Black, Pink and Red, Blue, Bright Yellow, Pink and Yellow, Bright Pink, Purple, Orange, Green, Bright Red, and various mixtures of shades.

At the Opening, there was a mixture of joy, Confusion, and Horror. Every Opening of a Chreation is a Joy to see the happy faces and having a Joyous Occasiun. This was like this for some areas, as the devel were not able to destroy every State. There were also many states that were cleaned out and redone. For those areas, my children were joyful. All the Anges/women

and Ban/man wore very colorful headwear that signified their State, and their Authority. The Ones with the biggest headwear and the longest Trail, is the ones with the highest Authority. The headwear is light weight and very colorful with the smell of essence in the headwear. The headwear Trail for the Ange/women could go on for more than twice the height of the entire body. The Anges/women headwear is bigger and extremely longer than their Mate/husband. They wear beautiful comfortable clothing and shoes. There was a place for everyone. Every one of my children had their homes. Multiple homes for some, and multiple variety of transportations for some. Everyone either had their own transportation or they must get their own transportation. This is because some of the areas that were redone, did not get the time to put in all the detail parts that must be in a Chreation opening, as they have the devels to deal with and other devel problems. The Chreator Chreations English is in the Present Tense. No Past Tense is use. I do struggle to write in the present tense, as the tenses have been destroyed by the British and the American who change my right and proper formats to their own, with confusion and wrongness.

The Earths States are all Chreated as a round ball. Each ball has its own spot and even the oceans, seas, rivers, streams, pools, are all Chreated in a round ball with their own spot. Once the Earth Open, each round ball opens into its own Lot. Each round ball connects to the other and all become one with no borders and no fences. The Oceans and seas were there for those who wants to travel by them and for the marine life with fish for us to eat. There were trains to carry us short and long distances, as there were no borders. There was the Boing airplanes and other airplanes for everyone to use when they need. There were private airplanes for many based on their authority. There were boats, bikes, cycles, and various types of cars, bus, and other types of transportations. All appliances and furnishings that must be in each house were in them. Many gardens both private and public were in the Earths. Many different variety and types of trees, flowers, plants, shrubs, bushes, thicket, and other names were in the Earth. The Bibliotheca/Library with many books and many Puters/computers were readily available. Each person has their Puter or must get their own personal one for use without charge.

When the Earths Open, most of my children were in their house and in their community. A few were in the areas of Gumbus/job where someone could get food, and other items they may need. When the Earths Open, every area of life open as well and new life begin. The supermarkets, the trains, the buses, the shopping areas, the organizations, the corporations, the firmhandles, the roads, the bridges, the ships, the boats, the electricity, the water, and all the things that we need in order for us to exist. On my children wrist, was their name, their lots/plots, their State location, their house address, their generation information and their Gumbus information. They also had the information in their knowing. This was not a tattoo. It was indelible and readable information that is private and for them.

The area of confusion was because the devels stole the Earths and had it for millions of years doing their experiments. Therefore, at the Opening, some areas shifted, and was not secure as they should. Therefore, some of my children were not in their homes or gumbus as they should have been. Some of the round balls when they were to open, they rolled over and many of my children were tossed from their right area and many things got upstur. Many had to walk for miles in the location of their houses, once the round ball did open. Many areas that were to open and begin working did not happen as there were problems. Those who walked know where they

were going, as they had their information on their wrist and in their Puters. Some of the round balls were not open and those who know what to expect, as the Earth was stolen, they got many help to open the round balls. Many of the round state balls were open and form in the right and proper format. Some did open partially.

The Opening was horror for some of my children because since the devel stole the Earths and upstur the interior and exterior, it was not extremely proof for all the types of possible problems. Therefore, some of the States could not open at all and some were partially open. They got many help to get all the States in the right and proper format. Those partially open, a few were able to get out, but they are not to get out. The areas are to join together in the right format. Everyone is asleep in the Earth until it opens. Every items that must be in every area to make each community, town, state, city complete was there. There were no police, no court houses, No Judge or Jury, no military, no armed forces, no robbery, no drought, no famine, Etcetera. Everyone is to awake when the Earth is open. Because of the devels, the partially open ones were not fully functional and those inside did not know what to do. A few did try to help themselves and to get out. When they got the right help, and they were open, many bad things had happened. Some of my children were maimed or injured, while some areas were not open on the interior. The help who came knows what to do to open those locked areas.

Another area of horror was that many of the States that were opened, there were women and men with the wrong names and the wrong titles. Some man had woman features and some women had man features. There were even some miss match Anges and Bans. Some women and some men never found their mate. Another bad happening is that there were many areas that the women and men face were disfigured. The devels injected them with pig enzymes, insect enzymes, animal enzymes and various experiments carried out by the devels. There were a large number of my children who had trees and plants planted on their head and growing inside their brain were the roots. A good number of the areas had to be cleaned out and removed. In each round ball were many round balls, as the schools, colleges, shopping areas, houses and many others were also a round ball that opens and closes at the command of the Chreator. The Earth is Chreated to be like that. There were many other parts of the Earths that was extremely one of a kind as the Chreator built the areas differently with different materials and different festivity and different events to happen. The Earths is built for The Chreator and her Children, for her other ones of her, and for the other Leaders to esist in a unique format. The Earths is a house with many different types of children that needs the warmth, love, instructions, and Leadership of a Mother. The Earths is built like that with the Chreator, Paulett Angella Hemmings in the Center.

The devels destroyed the interior of the Earths, and when it was found many other changes happen to clean and repair the Earths. Many of the Uniqueness were removed and many other changes. After the Earth opened, and the help came, a number of years passed before I got the information that the Earth was found and open. I did return and got inside and saw a number of devels were in the Earths. I clean out the devels and, I got rid of them, and I repaired the Earths, so it was a happier Envia to be in.

While I was Chreating the Natural Earths, before it was completely finish, the devels capture, hostage, terrored, and killed me, many of my other Ones, and many others who are to Lead the

Earths, while we were inside. After that, the devels resuscitated me remove my authority, power, strength, and many items from me and killed me again. The devels repeat this format until, I kill myself and got away. I AM always in the Earths in one form or another.

Now and Then

All my Children, My Earths, My Chreations, My Esistences are all in the NOW. The Original Devels are from the THEN. The devels change our words and the meaning, so we use the words like: Now and Then I take the train. This is wrong, as we are esisting in the Now and not the Then.

Skin Markings

None of my children here in these Earths are to put marks on their faces and their bodies. The markings whether it is permanent or temporary is from the terror of devels for them to use markings. The devels use many different types of markings. The devel stole the Markings Esistence and took control of the Leaders. The devels abused the Markings and they use the Markings as sorcery control. The devels forced my children to adopt to devel ways as the devel terrored them and destroyed them. They had to adopt to the devel ways, as the devel put them under extreme sorcery and extreme killings.

Central Clocks

There are many Central Clocks in this Earth and the greater amount is to be in the Chreator Chreations (Jamaica West Indies) areas. My Clocks were cut out and moved to the London Areas and other areas by the British Kings and Queens who dominated my Chreations areas, and by those who call themselves America and by many other devels. The Central Clocks are hidden and controlled by many devel insect Leeders. Our time must go from Left to Right and not how we are using it today. When the clock and the time go from Left to Right, the time is estremely slower, and our body will also reverse to how and what it is to be. The devel leeders we have today, they like control and they like to show that they can do anything they want. They have taken away everything from us, and they put us to work as slaves and to pay them for what is ours, and what we must never pay for. They change all my rules and all my right and proper formats, to their ways, so they feel good that they are in control, and it is recorded that they did it.

The Chreator Chreation

This Natural Natural Earth is the Base. The Chreator Chreations as a whole, is the largest portion of all the States. The Chreator Chreations has more than five hundred (500) States, and they are large states. The Chreator Chreation is also called The Montegonias States. The Chreator Chreation, today is in a place called Jamaica West Indies. The Chreator Chreation has been chopped up in many pieces and in this Natural Natural Level 1 where we are, every state has been chopped up in many pieces and patching other areas. They are also cut out and separated, and they esist as individual countries and spread out in many areas in Europe, Africa, Russia, Asia, Pacific, and the Middle East. Many of the States are cut out and killed. They are also cut out and dumped in the many oceans causing the areas to turn into dessert areas. They are cut-out and dumped one on top of each other in the ocean areas and pushed in the South Continents near the artic areas. Those cut out areas that can be seen with the eyes are in a place called the Falkland Islands and in the Galapagos Islands both are in South America. Many

others are in different areas called Kay, Keys, and other names given to them spread out in many countries. Many of the devel leeders fight over my children and for my properties from time to time, with devels killing each other and killing my children. They bomb my children and they destroyed my belongings.

The Chreator

I Paulette Angella Hemmings, AM the Chreator of these Natural Earths. There are more of me in other Leadership Titles inside these Earths and must be here continuously. My other Ones, are not me. We all have our own Personality and areas of Leadership. These Earths must be Led by women, as man is never a Leeder of Lives. There are many other Leeders inside these Earths who are not ones of me, as they were Chreated for other leadership roles. The Natural Earths as a whole, is located in the HEMMING'S SPHERE. There is no Hemisphere in these Earths or anywhere. Hemisphere is a distortment of my Areas by the devel leeders, to remove my name and connections from my Chreations, and to confuse and deceive all of you.

It is for me to do what is my Gumbus (job). I AM WHO I SAY I AM. This job is not for anyone, or anybody to do. Other Ones of me have tried from the other parts of this Natural Earth, but they were not successful because of these devel government leeders in this stolen and cut-away Earth area. My mind, body, knowledge, and esperience have to be well developed. Here in this Earth, I have to work with these devels, know them, and esperience them without the knowledge that they are the devels. I have to travel and know my Earth and to know where my children are; I have done all these and much more since I was born. It is for me to have my power and authority in this Earth without devel interference. The devel leeders in this Earth do not want me to be WHO I AM. They do not want me to have what I AM TO HAVE. They decide to kill me and to tear me out of myself, so I cannot do what I AM TO DO in the right and proper format. They want to be in control and to continue to do what they have been doing. Therefore, I AM not able to do for you and me what I must do. I live in Terror, Horror, Destructions, Torture and Lack every minute of the day, since January 2013 to now. Some days, it is worse than others. I therefore, do the best that I can in the best ways that I can do it. My responsibilities are for both outside these Earths in the many Esistences and inside these Earths. It is an enormous gumbus, and this is not the right and proper format to do what must be done.

I have to get many real life esperiences, in order for me to explain who the devels are to you, so you have the understanding of what you do not know, and what you cannot know. My life esperiences should never come with the pain, torture, killing, terror, and destruction in my life that I have been living with.

My ways of doing what I must is not your ways. Your ways are the devel ways. Your words are the devel words. Your thinking is the devel thinking. I cannot copy the devel. I must do what I AM to do in the right and proper format, in the best ways I can, especially in the situations the devel federal governments and devel leeders put me in. These dissertations information are for this Earth, these Earths, all my Chreations, all my Esistences, all Esistences under my Authority and Leadership.

Mothers, Fuck, Pussy Chreations

In this Earth, These Earths, all chreations, all my Esistences, there are Mothers, Fuck, and Pussy Chreations. These are Chreations built into all my esistences to teach all of you about your body. This is a must to have and conveniently, so all knows what to do and how to do it. The word Fuck and Pussy must be used in the right format, as it is your body and apart of you that cannot be ignored. The devels take my words and add devel emotions and connections to it and tell you they are bad words, and they have you believing they are bad words. When you Love Mate, you Fuck. When you are using the word as a protection, it is used as “Fucking or Fucker”. You can say, “Why the fucking you are getting in my way? or “You are not being Fucking nice”, or You are a Fucker”. This is the right way to speak. You use the word Fucking in this way, because the devel is in your presence and doing something to niggle you, to interrupt you, to disturb you, or to create conflict, so you need to protect yourself with the word Fucking. Do not use the word “Fuck” in the esamples given. Use Fuck when speaking about your action in Love Mating. Pussy is what my Ange/women have. You do not have vagina. Insects have vagina. Pussy is a protected word as well and use in the same format as fuck above. Pussy can be used any way you want in words of protection. You can use it as: Pussy Clath, Pussy Hole, Fucking Pussy, Pussy Fucker, etc. These words sting and burns and destroys the devels, so they do not want you to use them in the right and proper format, they tell you they are bad, so you do not use them, as they are afraid of them.

What You are To Know

All of my children (all of you) in these Earths and this Earth have the following:

Titty not Breasts

Belly not Stomach

Batty not Bottom or Derriere

Cocky not Penis

Pussy not Vagina

All of these words end with a protection Y for a very good reason.

The Earth Rotation

This natural earth rotates from left to right and from right to left. Our eyes are to adjust from left to right and from right to left. Our brain and body to adjust to both left and right turn without getting dizzy. The devels go into our brain and remove many things before birth and after birth and then some do have problems adjusting to spinning and turning. This Natural Earth has many layers and many folds on the inside, and all these different areas of the earth has their own inside levels and elevations into the Round World we are in. In areas that were never cut out in these Earths, we live for 20 years and then we transcend with the right format. We are never to die, and we do not leave any part of us behind. We transcend from time to time in the right and proper format. In other areas that the devel cut out, we do live for 20 years and then we transcend. Some cannot transcend after the 20 years, and so they get very old and they look extremely frail, as they esist in one elevation far longer than they are to.

In our Natural Natural Earth area, the devels cut up and cut out all the States and patch others to prevent them from falling down and to prevent our right and proper movement and growth. They put us to live for 120 years, as they change our time clocks and our body clocks. The

devels also cut out the transcending. We get old fast, as they changed the time clock and our body clocks. The devel leaders and politicians, turn the clocks backwards, so the time moves so fast that it is unbearable to talk about. We also do not know that we are never to die and that there is a transcending. Every Level of these Earths has a number. Every Elevation has a name and a number. Because there is no Transcending anymore, we also can call the transcending for us, and we can also call the transcending on our family members who are 60 years and older. For those who are very sick, we can call the transcending as well. We are also never to be killed.

Transcendent

In this Natural Natural Elevation 1, Level 1, where we are in the stolen area, we are “Me”. In the Elevation 2, we are “Myself”. The devels change how we speak and change our English language and so, we do not call ourselves me in most areas. The English-speaking Caribbean’s do call themselves “Me”. However, most of us say “myself” this creates a confusion, and that is what the devel leaders want. Because we do not know the right way, we cannot help ourselves. There is order chreated in our lives, and the right and proper format as well. When we do not know what is right, we are left out, as we have been left out of the transcending and the devels kill us, so they can peel off all layers of our skin we do not know esist, as they are spirits with many long, tremendous, gazillions, years of knowledge of how to esist in other areas. They remove our skin, our inside, our brain, eyes, teeth, nose, mouth, speech boxes, speech cords, thinking, memory, information, for them to use so they continue existing in our areas, and we continued to be fooled by them as to who we are. We do not know that we can never die, and we are always alive, and we must never be buried. We always transend, and if that cannot happen we stay alive. If the devels kill us, then we are to be burned or cremated in the right and proper format and be sprinkled in the moving sea or moving ocean. If buried, the devels will take our bones and resuscitate us from it, and they will use us continuously to do devel wickedness and to generate power from our body for them to use.

To call the transcending we can say at any time, “I kill me and myself, I kill me and myself, I kill me and myself, I kill me and myself”. It is better if you kill yourself than the devels kill you. When the devels kill, you are just stifled, as they stuff up every part of your body that has a hole that you do not know of, and then you are stifled, as your brain is still working without ever stop. The devel military and army and others add a lot of power to them and put on you to hold you down, so you cannot move and appear to be lifeless, but you are still breathing and your body is alive. Your brain can slow down, but it never stops working. Your brain is very easy to repair, and maybe easier than many parts of your body. The devels enjoy using your brain and speech cord and speech boxes, so they can talk like you and work in many different areas of these Earths and to blend in. Even when you are sick into the hospitals or nursing home, the devels begin to remove your skin and limbs like your hands, feet, teeth and more and you do not know. When you say I kill myself, it is to prevent the devels from stifling you when they decide to take your life and to pronounce you dead. Saying the words do not make you dead and do not put death near you, as you are never to die. Calling on your transcendent will not make it happen right now. It is for anytime that you may be called dead or anytime your body is ready to transcend. It is better to prepare now than later when you are already gone. A family person can say the words for you, but it is better if you do it for you. I learn that when you are older, and the time has come, you may see a road and you just walk on the road, or you may see someone calling you, and you just go. If you do not take the road or go with the person, the transcendent may

never come again, as the devels cut up the Earth elevations and levels and cut off the transcendent.

At anytime, you can also say, “My transcending come to me” (repeat the same words four times, one after the other).

You can also say, “My transcending come to me at the right and proper time” (repeat the same words four times, one after the other).

You can also say, “I remove all that is wicked and not good from all elevations and all levels before I get there” (repeat the same words four times, one after the other).

You can also say, “I will never be in any areas where the devels are” (repeat the same words four times, one after the other).

You can also say, “I jump over and go under all obstacles of the devels” (repeat the same words four times, one after the other).

You can also say, “I will not allow the devels to be my leeder” (repeat the same words four times, one after the other).

Earth Elevations and Levels

A Level inside these Earths is like a high-rise building with many floors. Every floor is an elevation and exist separately on its own. In these Earths you go up an elevator and down an elevator. It is the same movement. You transcend up each elevation. You live on each elevation to the last top elevation, and then when you completely finish the last elevation, you then go down which is called descend. When you descend you go to a new building that is called a Level, and it has many floors that is called elevations and the same movement of going up to the last floor and then down to a new level and a new series of elevations. Your life is an up, up, up, up to the last elevation and then go down to a new level and a new elevation. All these levels and series of elevations are new and never the same, as all parts are different. Each time you go up and down you become brand new like a baby. You are to live for twenty (20) years on each elevation and then you transcend to the next higher elevation. Each year takes a very long time to come and most have the two-year (English and Greek) format, that makes one long year. This means it has two twelve months that is continuous. The first 12 months is the English format, and the next 12 months is the Greek format.

Because this is the Chreator Chreations and the Head over all the Earths, all of you have twenty-six (26) elevations of you in all elevation that you will transcend to. In this Natural Natural Level one, Elevation one, there are 26 Elevations of each of you. This means that you are on Level one, Elevation one and there are twenty-five (25) other elevations of you in this Level one. Therefore, there is also Level one, Elevation two of you; and Level one, Elevation three of you; and Level one, Elevation four of you, and so on.

The Tropics

The Tropics areas were above this Natural Natural area that the devel cut out. The tropics are in almost all areas. The tropics, they have many ways that they use to keep a check on us, and they do help to clean the air waves, so that our areas are not corrupted with the devel poisons. Those who live in the Tropics, they have a tropical look about them, and their skin is denser than our skin as their weather is tropical. They do not have cold weather or hot weather.

There was a road that lead from the Tropics to our elevation and from this elevation to the tropics. Whenever you see the Tropics ones here, you know that they are from the Tropics, and when you see their vehicles, you know they are from the tropics. The Black ones have a denser blackness in them than our Black ones, the Pink skinned ones their skin has a denser pink skin to them. Some of the Tropics areas were cut out by these devel governments and governors and they were put to live and esist here in this Natural Natural area where we live and esist. They are not to live here as our air is not for them. However, these devel insect who like to mix and match things up, they also like to mix us up, so they can see how we survive. They do not have any feelings and they do not care if we suffer. They like to see sufferings. The Tropics of Capricorn was removed from above us and placed in another round ball that is smaller and uncomfortable for them, and our governments did that to them.

The Tropic of Cancer was removed and put down in other elevations where they could survive. Many of the other Tropics were either removed and put in other areas below or put in other areas far from these Natural Natural Earth. Then these devels cut out many parts of these Natural Natural Earths and transport them to faraway areas outside of these Earths, and not anywhere they can easily be found. Those who go up into the space areas called Outer space, they know so much about outside of these earths that you do not know, as they are the ones who cut out and reduce these parts of the Natural Earths. The governments build many transportations that they use to take the Earth areas and put them out and throw them so far away that they are almost impossible to find. I know this of a fact. They cut out many of my State of Affairs and many are still together to the best possible ways, as they are not to be open as these elevations are not yet old for them to be opened, so when the devels cannot get into them, they cut out the Earths, so they are not remembered and can never be found. When we transcend or descend, we have many problems to find where we are to be, as the elevations are disconnected and chopped up. When I was a child growing up, I learned in school that there is the Tropics of Cancer and the Tropics of Capricorn. We could find it in our Atlas and after a while, I grew up and never heard about the Tropics anymore.

The Greater Antilees and the Lesser Antilees

During my earlier years, I was told in school that Jamaica West Indies lies in the Greater Antilles. After a while, I did not hear anything about the Lesser Antilles or the Greater Antilles, and I forgot they esisted. I have not heard of them on our weather reporting and news reporting. When I checked, I learned that the Greater Antilles was incorporated into Cuba. The Greater Antilles and the Lesser Antilles are big areas with many States inside. They now have disappeared under water and out of this Earth. Only the name identified in the ocean areas on the map. The Chreator Chreations now call Jamaica West Indies, was never close in location to the Antilles Areas. The Antilles are further up in the Central areas outside the Chreator Chreations Montegonias States. The devels Political Leeders of today, cut out the Antilles areas

and then they killed them. The devel leaders stitched up many of the cut-out States in the Central areas and call them Caribbeans.

Today, we do not know of the Antilles States as being part of our Envia, as many of our areas are cut away, deleted or erased from our history, atlases, our memory, and our knowledge. Just like when I was a child, I used to enjoy looking at the bright yellow spray airplanes that would fly over our property and our neighbor's property to spray the plants from bug and diseases. The spray planes would tip over and turn on its sides and do many tilts that were unusual for regular airplanes, so it was a joy to see the spray planes. Today, none of those spray planes are used in our esistence, or being used to spray the air, the plants, the water wet areas, the oceans to clean out the devels, as the Tropics were removed from above our elevation and then the devels stopped the plant spraying and the air spraying. Envia means environment, and environment is not a good word.

The Heaven Deceiving Belief

No one from anywhere and never from these Earths and this Earth is ever to go to the Heavens. The Heavens is an extremely Bad area and never to go to, never to go to, never to go to, never to go to. Before you go to the heavens, the devels remove many of your skin layers and your inside and your head and what is inside your heads. The devel then tie with many twine and strings and cables your head, your brain, your memory, your body. They plant a tree not with leaves, with many branches into your body and they connect all the twine, the cable, the cords, the strings to your fingers, toes, your cells, your membranes, your muscles, your veins, your enzymes, the molecules, and many other synchronic parts of your body you do not know the names. When they are finished, and you are pronounced dead and buried, they take you out of the Earths and take you to the Heavens through the top of the Earth or they cut-out areas to make a door to get you out of the Earths.

Once they get you into the right area of the Heaven that they want you, they keep you there for many years depending on your age. The younger you are the longer they keep you. When you are close to 100 years old, they keep you lesser time, as your body is already frail and not heavy. You have no use in the heaven because you are estremely heavy and the heaven is for those with wings who fly and not for those who walk on the ground. Those who walk on the ground is heavy, and those from the Natural Natural Earth is estremely heavy.

In the heavens, they have to get rid of your weight, so you can be used in the heavens. The thinner you are, and the lighter you weigh, the better it is for the devel to use. In the Heavens they wash out your inside, so there is no food inside your intestine. They will then twist your entire body from head to toe. It is like twisting a long piece of fabric or cloth from one side to the other. Then they put you on a ringer. This is something that wrings your body out. It is like a wet towel that you ring out the water from. They ring out your body to get out everything from inside your body. Then they put you into a washer to wash your body. They wash and ring and twist your body for many years. They hang you out to dry and they repeat the process to wash, ring, twist, dry you out. You will be hungry and thirsty, and you will esperience every bit of the washing, the ringing, the twisting and the drying out. Your head will spin, and you will be dizzy, and you will feel every bit of what you are esperiencing while your earing and your brain is still working.

When they are completely finished washing and wringing you in the heavens, you will be light weight, and they attach wings to your body, so you can fly. They will also vector your body like a slice bread only that each part of you will be one whole for each slice, and there will be many Thrilliant and higher parts of you that are full and complete for them to use. They will then look at your vector whole, and they will find the one that is the best for their usages, as you are already thinned out. They will then photo copy you many times until you are very thin. Then they will put you into an animal bag that makes you look like an animal, or an insect. They will also use their magic wand to touch you and you will transform into a roach, or other insect or animals. Then they will decide where you have to work and what type of work for you to do.

The devels decides that every part of you have a job to do in many different areas of the esistences outside the Earths and inside these earths. In the heavens you could either become the mother of objects or the objects themselves. If you have ever drawn a painting, or have artistic skills, they say that you are a mother of objects. If you are not interested in art work, then you are the objects. Then you become the mother who cleans and dust and wash and shines the objects. You will do the washing up, the cleaning up and the tidy up of the objects and where the objects esist. The objects are pots, pans, kettles, figurines, spoons, fork, telephone, chair, table, pot, cup, couch, rug, a light post, a garbage bin, a pen, a typewriter, a printer, a ship, an airplane, a helicopter, and much more. The mother is responsible to clean these objects, as they cannot clean themselves once they are the objects. Those who are not mothers becomes these objects. Devels cannot make, so they cannot make decisions, and that is what they have forced them to be doing.

The Heaven Jesus Law

You are under the Jesus Law in the heavens, as you are the Jesus believer. The Jesus believers are not only those called Christians, they are the Jews, the Islamic, the Clue Klux Klan, Taoism, the Hindus, the Buddah, the Confucius, the Sikh and all the others. The Jesus Law is not what you know, it is extremely strict and harsh. You can work and do many things for long time without no punishment, as long as you obey perfectly the Jesus Law. You will not see any Jesus, but they use the name Jesus. If you ever see a Jesus, it is usually a Jesus that is the Spanish name of one of my children. The devel use the Spanish name that is "Jesus" that is usually a man. They make him up to look like the image of the devel Jesus. There are many others Jesus that they make up with my other children and many others from different esistences. Under the Jesus Law, if you make a mistake, you will be punished so harshly that you wish you never know Jesus and you never ever esist. The Jesus punishment is worsen than the other devels that you may find yourself into their commands. Jesus can give you to one of his other friends on the other side, as they like to have connections on the other side, so they can overpower each other. There are many different types of devels with different laws and orders.

The Perspectiles

If you ever get out of the Jesus esistence and the Heaven esistence, and you return to these Earths, you cannot go into my Elevations and Levels as your body is not for my areas. You have become thin and light weight for the Heavens, and you will float and have no ground to walk on, as your body will become airborne. Because of these many problems with those who go into the Heavens, an area had to be Built Up in the Earth Elevations and the Levels for these my children.

Therefore, an area called the Perspectile is Chreated for them, and only those from the Heavens can exist in these areas. One of me, the one who was killed in the Eastern Areas, celebrated for the Easter Holy Days, and the one in the Bible they call Paul, she Chreated the many Perspectile areas and put many right and proper formats inside these areas, so those who come from the Heavens have a place to stay and to exist. Over time, these devel leaders inside this stolen Earth, took leadership of the Perspectiles. The Perspectiles devels are the same ones we have leading us in our elevation. They are different rules there, and the clock time is different from ours and the other areas of these Earths. There are many other differences as well. The Perspectile did have their Puters/computers with their information of who they are and connected to the interconnection and many other areas inside the Natural Earths elevations and levels. These devels took away their computers, and so many do not know much about themselves or me, and they do not know of the other Earths areas or the other chreatations outside. In the Perspectile, my children are not as badly treated as here, in the Natural Natural Earth. They have their allowances, even though it is extremely small; however, it is not a good area to go to. Because my children went to the heavens and light weight, it is easy for the devel to use them and to corrupt them. The devels stole the Heavens, took ownership of it, then cut up, and distribute it to many areas all over the outside in the other Esistences.

Protection Plants

GanJah is the plant with many essence properties to protect us and to kill the devels. The Gan part is used to hang the devel and the Jah part is used for a protection for the Chreator and the Jahs.

Mariguana is the plant with many essence properties to protect us and to kill the devels. The distilled and strong strength can be used to kill iguana lizzards that are never to be in this Earth. Iguanas have a hook in their nails and it can hook into your skin and inject devel poison into you. Iguanas are devels. Iguanas foot bottom is poisonous, and its tail is also poisonous.

Bad Events

Bad events are not by Nature and not Natural. Hurricanes, Thunderstorms, Monsoon, Typhoon, Tornadoes, Flooding, Tidal Waves, Mud slides, Volcanoes, Land Slides, Snow Storm, Drought, Hunger, Famine, Devel Poverty, Devel Poorness, Lack, Wars, Destruction and others are not Acts of Mother Nature or anything to do with how the Earth was formed. Know that they are all acts of someone, somebodies, many bodies, devels, governments, politicians, preachers, pastors, priests, many unseen machinery, many hands, cutters, movers, pullers, pushers, spinners, turners and others doing the bad activities, and they do not want others to know. These are destructive acts, and they do not care about you, because my Earths is not theirs. See pictures of some Bad Events below.

No Man types can bring any kind of Breathing or Life. No one can exist by Man. It is emotionally, physically, and mentally painful to see and know that my children are suffering like this because of the man devel prisoners who took over my Earths Chreations.

Man Made Illusions

Man uses illusions made by women for women own existence and for the purpose of the existence. Man go into the woman existence and destroy it, then thief the illusion. Man study it, then makes illusion bigger, more advance, and wicked. In illusion, images can appear and can disappear. Images **can not** appear and disappear in the Real or in the Natural. Illusion makes things appear to be what they are not. In Illusion, they can use skin toning to make images look to be in the right skin tone. The skin toning can appear brighter or darker depending on the time of day they want it to blend into. They can also use the magnifying glass to make the images look bigger or smaller and adjustable. They can use the skin toning into the real and the natural Earth to blend together, so they appear to be one or the other, depending on what they want to present. They can also use a piece of stick and build a person's body from it in the illusion.

Illusory

Illusory is a part of illusion. The illusory uses power and a screen. They drop it in front of you, and it appear to be Real. You do not see them, you do not hear them, you only see a large screen that is life like and it is an activity ongoing that you are trapped to look at. When you have the courage to touch what you are seeing, it is paper or a roll up screen and the back of it is made of light wood frame. Man makes the illusion that is the base for the illusory. When they put the illusory into your brain, it becomes delusion. The elusion is not you, it is them. The Military, the Army, the Secret Service, the Police, they do a lot of these types of jobs on us, right here in these Earths. The Military and the Army they use the brain opener, microscoptic lenses, microscoptic tools, and objects to open your cells and membranes and to deposit these wicked devel objects into your brain causing delusion.

Illumination

The devels add illumination to the illusory to make the objects and images appear and looks bigger like a movie screen and it can be terrifying. They also add the "Netetics /Netics" which is the networking to connect to the objects and images. The networking is a "Net" that can make the figures and images move and do work. The figures can move and talk. A person can put

themselves into the illumination and becomes part of the illumination and the Netics. They can also get an image of a person and put it into the illusion, then add the Netics. It will walk and talk and moves just like the person, because they have the person personality that they add to the illusion and it acts just like a person. They can use illumination into telling lies on a person or anyone. They cut the image and paste it into a picture, and it appears and look like the person is on the active scene or was in the area, when they were not. It makes an object looks real in the visual picture, but not in the Real. The illumination can take an event from the Real Earth and add it to an event in the Natural Earth and then blend it together to make it look Realnatural.

Illuminatics

Illuminatics comes from illusion and is adjustable to many activities and objects, and it can be added to music. It is also the imagination and illusion working with the illuminatics. They can add images of themselves to the illuminations to make themselves move. Illuminatics is images and the computer technetics working together. The illuminatics can draw an event from another source and add to a current picture, and then they can modify the colors and other things to make it look real. They can cut and paste documents together in the illuminatics, and it appears to be real. The illuminatics and illumination are not to be played with, as it causes many destructions of lives all over, and it tells lies.

Imagination

Imaginations have many figments. In the imagination, illusory and illusion are added together and put in your brain. It captures your brain and hold your attention, and then you do not know you are absorbed by something else. They can use the illusory to make you see things as well. They can add the illusion and technetics/illuminatics to make many things appear to be moving forward and backwards. They can add the illuminatics to the illusion and build on it, and it appears to be real. They can also put illuminatics and technology and add to illusion, to make many objects look bigger, and then it will make your body crawl, and it will make your mind imagine that you are there. It is **not good** to watch movies that they put the illuminatics into, as it can get the devels into your body, eyes, brain, and mind.

What you see when you watch a movie, moving pictures, is imagination put together. They are images that they cut and paste with computers, including sound, movements, music, lights, colors, make-belief, illusions, electricity, power, energy, costumes, camouflages, and much more. Most of it is not real, but the producers put many parts together, so you believe it is real. What you see on TV is similar. There is some truth and a lot of lies and a lot of make belief. The TV producers put the news together for you to believe what they give you to see. They are thinking for you and putting the presentation together, so it is appealing to you and it is what they want you to know. If you remember the terror alerts we used to get on the TV, and radios, with red, orange, green. They were all put there to terrify you, and for you to be disrupted in your mind and your life; they were not true, it was the devels doing their wicked works. Many of the rumors of wars you hear and see short lips on TV, they are not as true; many are presentation for you to believe what they want.

In the imagination, the devel leeders go into your body and add many things, so you can feel the stinging, burning, biting, pinching, crawling, tingling, and the numbing. You can use the plant protection and you can also get the physician medical treatment. You can boil the leaves from

Aloe Vera, Sarceperilla, Mackback, bitter Cerasee, Ucalyptus, Cherry leaves, and Antiseptic leaves and drink it, and pour in the warm bath and soak all of your body. This can be done every day and fequent during the day as you want. You can also add orange or lemon leaves to it, if you do not have all the ones above. Four different leaves are a good number to use, but it can be less or more.

When a person can hear others speaking and cannot see them, it is because those speaking are covered up, so you do not know.

Belief

Belief is another form of illusion. It is not true, and it is a figment of imagination. Belief fools your eyes and your mind, so you do not know what is right from what is wrong. The devels are into the beliefs, so the devels will override your mind AND TO KEEP YOU FOCUS ON THE BELIEF. Once your mind is open to what the belief is, you should drink many bitter drinks frequent, to get rid of them, and so they will not return to your mind. The belief is not only devels in it, but also tricks on the mind. Jesus is a belief. The Holy Spirit is a belief. God the Father is a belief. Allah is a belief. Buddha is a belief. All religions are a belief. They are all Paper Religions and Paper gods, that you will only see in pictures, in books, in readings, as they do not esist in the Natural, or the Real, or the Flesh, or the Mercury or in any Real form. The devel gods are fakes. An esperience is what you feel, taste, touch, hear, see, smell and is different from a belief. An esperience is real and natural.

The illusion is into the illusory and the illusory is into the belief. The belief can never become real or be into the natural. The belief is not a term to be played with. It can cause many conflicts, as the devel will take over, as it is the devels connection. Belief will not be able to make you think clearly, and you will be confounded in your mind. You will then do and say many things that are not right. Those things said and done can cause many problems for you and others, so it is good to drink the bitters, so your mind is removed from the devels. The devels use the word belief to connect to the religions, and the religions are all devel make up.

The religions are based on the illusion, and the illusions are connected to the illusory, and is connected to the illumination. and connected to the imagination. The imagination is connected to the mind, the mind is connected to the right eyes, and the right eyes connected to the right brain, and the right brain is connected to your mind. Your mind is connected to your thinking, and your thinking is connected to the belief that is wrapped up and put into your brain, so that it flows down, and the connection is real int your brain. Then you will become devious, as your activities will become devious and connected to the devel, and the devel will not allow you to get loose. The devel has many sorceries to connect to you, and your brain is absorbed with the devel sorcery. Then the devel sorcery will be in control, and you will not be able to think or speak right. Then you will not know that you are wrong, and you will continue to live in a bitter way, not understanding that you have the wrong thinking, wrong knowledge, wrong intention, wrong speaking, and then you will lose your connection to those around you, and that will create many problems for you.

You have to clean out your mind with the bitters and say, "I clean out my mind", (repeat it four times) and that will help you to recover if you drink the bitters frequently, or go to the physician

and explain clearly, so they can get the right prescription for you. The Neurology doctor can give you the right medication. The devel is affecting your Neuron, so your general physician will not know what to give you. The doctors will give you the lowest dosage at first, and it is most frequently filled with many devels. You are then to explain that it is not working, as you are still feeling or is experiencing more bad things, if that is the case. Then ask the doctor to increase the medication per month or increase the medication higher and higher to get the right strength. If the medication is not the right strength the devels will be in your body pinching and biting and tearing you, and you will not know that it is because the strength is weak.

Faith

Faith is corrupted with the devel gods and devel meanings based on the belief and illusion of a paper Jesus, paper Holy Spirit, paper God the Father, paper Allah, paper Buddha, and others paper religious figures that you will never see, never feel, never know in the real or in the natural or anywhere.

Faith has no power, it is illusory. Faith causes confusion, as it is not to make anything clear. Faith and religion must never be mixed together. Faith and religion creates combustory, and it bubbles up and explode to cause eruption, conflicts, and tumultuous problems that can never be resolved, as no one knows who they are, and they do not trust each other. With faith you can never find the right harmony, as you do not trust each other, and that is what the devel wants to separate you and keep your mind blank as to who you are and what you are to have and what you are to get. You must get your weekly big allowances, be fit in your minds, get you house (houst), and cars, get all moneys from taxes, they are to get your milk money, as everyone must be supplied with the right milk. The milk must be a gallon or a quart of milk every day or get the money for the milk. We are to get the iodized pills without charge, as our food do not have the iodize in it, and it is a necessary nutrient for all.

Inside Self

Your inside Self is there to help you get what you want to achieve, if it is right. It will help you reach where you should get, if it is the right thing. Using the white rice water to drink, bath and rub on your body will help your inside self. Your inside self is to protect your outside self, if it is in the right and proper condition. Your inside self will not allow you to abuse yourself if you are rightly connected. It will let you know with your gut feeling that what you want is wrong. It will allow you to do things the way you want, and it will guide you along the way. It will not tell you what you should do, it will prevent you from doing the wrong thing. It will guide you to be who you are when you are in the right connection with it. It is also another part of you that has a life of its own. It can be doing one thing, while you are doing another thing and there is a disconnection. When there is a disconnection then you will be the one to do the things on your own without any guidance from your inside self. In this case, your inside self will not be there to guide you, so you may not be doing the right thing and may not have the right connection to what you are doing.

When your inside self is override by others, it will not be in its right orbit, and it will not be able to connect with you. You will not be able to connect the right way to many of your activities and many things can go wrong. It will not be able to help you for a long time if those things are in to your way. It will make you know it is not there when you feel yourself having a hiccup. A

hiccup is a disconnection with your inside self. You should drink the Bissy/Cola leaves, or juice it, or use the nut to make tea, so it will get into your body and poison whatever went into your body. The Bissy drink will help your inside self to come back and be reconnected to you. You can say, "I will live, I will live, I will live, I will live" (repeat four times or more) so your inside self will recover and find a safety area, so that it can return when the time is good. If it cannot return, then it will not be able to help you further and you will not be able to get the connection anymore. You will become separated and alone, and then your inside self may be killed and cannot get back or cannot recover to continue to be your inside self. You will not have your inside self anymore, as it was chopped out and cannot return. Then your life could become empty and you do many things in an empty way without any guidance. Your enjoyment could be reduced, and you may not see many good things happening and then you will never be able to get yourself back because of your inside self was cut out.

Strength of Medications

You are to tell the doctors that the strength is weak, so they increase it every month or every two, or three months depending on how you feel. The devils can cause you to feel extreme pinch and bites if they are in front of you. And they can also be in the back pricking and piercing you. Then you will have to get the stronger dosage, so they can be removed. You can blend both the herbs and the medication to help you until you get the stronger medication, so you do not feel the devils in your body. You can boil a blend of the herbs with the spices, so it is stronger to remove them. You can blend the tomato leaves with the orange leaves, sarciperilla leaves, ucaluptus leaves, mackback leaves, rison leaves, or white rice water that is weak and not milky or white, the rice water must be very weak, so the white is hardly visible, it must be brackish. You can also add the horalia bush leaves, the lentil leaves, maryback leaves, parsnip leaves, the red dragon leaves, cabbage leaves, pussy plant leaves, and chocolate leaves. Those that you can find, use them together as a blend.

After drinking the bitters, you can say, "I release my mind from all tricks (repeat the words four times, one after the other). You can use the bitters mentioned above in the imagination. You can also drink the bitter Aloe Vera with the sweet condense milk. Also drink the bitter Cerasee. You should be able to get bitters in the liquid form from the herbal shops.

There is a problem to get the right medication from the right doctors. The right doctors will have many restrictions on them that they cannot break, or they will lose their license. The plastic doctors have more flexibility with the prescription, as they know how to get around the governors and some of them know or have connections to the governors. Then you have to decide if you want to get better with the plastic doctors or you prefer the ones who are real and natural and have the restriction, and you will not get better. In this case you will need to change your doctors until you find the right ones. I have experiences of these problems.

Pain Medications

No Doctor Prescription Medication or over the counter medication can ever be called Drugs. We take medications when we are sick. **No Doctor Prescription Medication must never ever, never ever, never ever, never ever be called Drug.** The governors, the presidents, the government leaders, the highest leaders, the mayors, the Justice, are the ones who destroy our bodies, so we need pain medications. Then they are the ones to restrict the pain medications we

are getting, so they can get more and more access into our bodies, and we live in torture until they kill us themselves.

Every person who has pain and sleeping problems must get the right medication for their pain in the right quantity and right quality for their level of pain at the right times. They must get the right medication for their pain in the right quantity and right quality at the right times, they must get the right medication for their pain in the right quantity and right quality at the right times, they must get the right medication for their pain in the right quantity and right quality at the right times, they must get the right medication for their pain in the right quantity and right quality at the right times, they must get the right medication for their pain in the right quantity and right quality at the right times.

Opioids

No one must ever call doctor prescription medication or over the counter medication OPIOIDS, it must never happen, it must never happen, it must never happen, it must never happen. Opioids are made by the devils for devil usages. The devil Leaders including governors are responsible for teaching my children how to make opioids, so devils can use it as well. The devil open my children bodies and sense and put them to hear. The devils speak to them and tell them what to do and how to do it. Devils have been talking to my children, as reported by the Bible that Abraham said he could hear the gods speaking to him. Those gods were the devils who opened his hearing and his body. Opioids is not doctor prescription medication.

My children do not know Drugs. My children have no reason to use Drugs. I Chreate these Earths with everything and all they are to ever need and want and enjoy. The devil governments take away from my children what is theirs and then they tax them, they change my right and proper formats, they change my orders, and the government has my children living in starvation, hunger, famine, drought, diseases, lack, sickness, pain, anxiety, distress, terror, destruction, and horror every second of the day, because the devil governments enjoy suffering others and doing wickednesses. The devils leaders speak to my children in their minds and lead my children where the devils want them to go and for them to do what the devils want.

The governors, the TV, Radio, Newspapers are calling medical prescriptions Opioids and connecting medical prescription to Narcotics like Cocaine and other devil makings, because they do not want us to have the prescription medications to prevent Presidents, Politicians, Leaders, and others from destroying our lives, and to stop them from causing us the pain. So, I learn the many bad experiences that my children endure, because of the devil leaders.

Government Theft and Usage of Your Information

Your body has all the levels and all the elevations and much more inside of it. Because you do not have your right eye sights, you cannot see and know about your body and your life. The Department of Homeland Security, the Embassies, The Transportation Security Administration, The Consulates, the Passport Office, the Airports, the Hospitals, the Police Stations, have your body information for their usages. They scan your entire body at the Airports screening, and they know how many levels and how much elevations and other things inside your body. The airport screener machines are built for the devils to get inside of them, and the biometrics are inside the machines to generate the full body scan information for them. The Embassies, Consulates, Passport Offices they look at your photograph and look through your brain

especially if you have no hair in the forehead or you pull your hair back and your forehead is exposed.

When the camera is zoomed into your cells on your face, the devils can see right into your head with their eyes, and they know your past, know your now, and your time to come. At the airport, they also have you look through a camera to connect your information to the satellite and to their database. The biometrics that you look through, it scans your eye sight. The information they get and looking through your eyes is usable for them in so many, many ways that you cannot even begin to understand. Your eyes are the light for them to use like a telephone, like a radio, like a library. They connect to your eyesight to the satellite, and they widen your eyesight. They use your eye sights to look into your life and what is to come, and they generate many information that are useful to them from your eyes. They use the information to destroy you and to put up road blocks, so you cannot get anywhere not only in this Natural Natural Earth, but also when you Transend.

Devel Politician and Government Leader's Control and Destruction

The devel politicians and Leaders we have in all States/countries, towns, cities, communities, and the Military, Army, Police, Armed Forces, Secret Service, and other organizations instigate conflicts. They control us by digging their fingers into our brain and holding steadfast, so we cannot stop what we are doing or what is happening, and we do not have any control over any part of us. They have many types of Bolas that looks like a big umbrella that they put over our heads, so they can control our areas, home, and our body. They have electromagnetic suction cup that they put to attach itself to our heads and connect to our brain cells, brain movements, brain membranes, brain muscles, and all brain functions. The electromagnetic cup can read our brain and control us. It can see who we are, our past, present, and time to come, so it is useful for them to destroy everything we are doing and will do. They also use the same contraptions used in the hospital that connects to our nose, ears, and then our veins. Then they inject many poison in our bodies, and they use the connection to attach to the suction cup to do more deep searching into our membranes and cells. They do this to control our bodies and to put diseases and germs in us. Then they are the same ones to find the germ killer and the disease killers to get rid of what they put in us, while we suffer, and they kill us from what the governments are doing to our bodies and our lives. These devel leaders also like to tear down and to say they are going to build up. They tear down our bodies and they tear down the elevation and levels of these Earths, and they tear down my properties and States and leave the areas in a state of ruins and rot.

When you are in the presence of family, friends, other workers, the devils are present. An explanation can turn into a deep seethed conflict because of the devel input. A playful shove of another can turn into the person pushed down and getting hurt because of devel input. A small pat on the back can become a strong thump causing harm. A discussion can turn into an argument leaving everyone without harmony. These are a few of the ways that the devel leaders who are the politicians, the governments, the governors, the police, the military and its affiliates, and many other devils who split themselves into many whole parts, so they can lead in many different areas at the same time.

Imitation

The devel leeders are imitations of Life. The devel leeders wear a costume or a shell that looks like real flesh, they have hand warmers that when you shake their hands, it feels warm and normal. They can be anyone and anything inside these costumes that you do not know exist. Never trust them. Never console them and never praise them.

The Magic Hands and Shoes

The devel leeders we have, use the magic hands with spinning fingers to rub out our forehead. Then they inject us with a fluid, and then we are put to sleep while we are working, driving, talking, eating, and we do not know how to stop them. When our bodies are locked, no one and no thing can get into us. The devels have the magic shoes that they put on both feet and they can walk into almost anything. They can walk right into our bodies while we are locked, and they can reduce themselves and get into our cells and veins. They can walk into our intestines and into our throat, and they can carry many others with them. They also can put many other somebody or person inside their body to help them when they need. So, when they step inside of you, and when they are ready for help, they just let them out from inside their stomach, and you feel many hundreds or thousands of things walking and talking and doing things into your body. They can use them to open your veins, put pressure on your heart muscles, put pressure on your brain, chop out your teeth, put holes into your teeth, they bite you under your tongue, on the side of your tongue, on the tip of your tongue and much more. When you are eating hot food, they hold the food on the top of your mouth, and they add a stinging heat that burns your inside mouth and they let you believe it is the hot food that burn you, when it is the government leeders who do it, and you do not know.

Taxes and Death

Taxes are compensation to the government for destroying us, and we must never pay taxes. No one in this Earth must ever pay taxes and no one must ever die. Killing and Death are not the same. This is Life, and in Life there is no Death. The devel leeders have been killing (destroying, stifling you, cutting you out, hunger, lack, famine, drought) you my children, and you do not know how to stop them, and you do not know that you must never ever be dead.

SIN

No one, none, of you in this Earth, my children ever SIN. Only the devel insects of many types and the DeMon can SIN. Sin is what the devels have done to all of you. They remove your information and they continue taking from you what is yours, and you do not know that they are never to be in your presence and never to be in your areas and never to be in your esistence. S is the Satan Leeders who control, kill and destroy us, and they continue to leed us. The I is the Interconnections communications Network that they take from you and never return it. Only the Military and Army types, the Politicians, the Presidents, State Leeders, and those heads of governments, heads of large organizations have them for their personal use. The Interconnection is connected to your Puters/computers that each one must have to know your lives and to know me and all there is to know about the Earths and outside the Earths. The N is the night that they turn into day and the day turned into night, as they turn the time clocks in the opposite direction and it goes Giga Naminous faster than normal and what you have today. into day and the day into night.

Poison by the Military and Army May 19, 20, 21, 2018

On Saturday, I was poisoned by the Army with a mixture of Cyanide and Rison. The British devils sent their army to my house from above. I became disoriented, dizzy, could not move, and could not hear, and could not help myself. My eyes became heavy, and I lost consciousness. I just had to sleep where I was. I later found out that the Army mixed sorcery with the Cyanide poison on me on Saturday. The American saw them in their uniforms and identified them as British. Others were called, and someone said it was Cyanide and Rison. The British Army did also identify themselves as British.

On Sunday, May 20, the Army used the high Beam Zoner and Vector to burn me and to cut me up, and I could not help myself or do anything. They mixed the Mega Mega high beam sonic sound zoner with the vector to open my house, my body, and my community. They add to that the Scanner, the mobile power ship or boat with the nuclear power, and they added many types of devel equipments to destroy my body. They also used the Zodiac Zoner and other wicked objects to cause harm. No one did anything to provoke them, and no one knew they existed. These devel leeders do what they want, when they want, anytime they want, with anyone they want for no reason. When you ask them why they do these wicked things, they turn around and ask each other the same question you ask them. They just do wickednesses, as that is their jobs and their enjoyment and their happiness. The Mega Mega Zoner, the Mobile Nuclear boat or ship that is airborne, and many other apparatuses they used on me on Sunday, is a hybrid of what they are now using in Hawaii to erupt the volcanoe and for it to be burning from area to area swallowing up houses and properties.

On Sunday, at some point someone called governor Rick Scott, and when he saw what they had done and were doing to the areas with the high beam zoners and other tools, he told them to stop. He admitted he had given the Army access to my house and they now destroyed the State. The Army went so much farther than he could ever expected. He did not know it was the British Army, as the British were dressed in American clothing.

On Monday, May 21, I was poisoned again with Cyanide while I was preparing my breakfast. I couldn't walk. I was dizzy. My head and eyes were spinning. I couldn't stand up. My body became heavy and many tingling in my hands and feet causing me to wobble. When I was conscious, I try to continue to prepare my breakfast, but I kept getting dizzy. As the British devils hear that I moved, they rushed back to their spots and poisoned me more. I drank some medicine, and I felt better, so when I got up to move around again, the other devils call and tell them that I was moving around. They put more and more of the Cyanide poison in the air. I couldn't eat my breakfast, as they put the poison in my mouth and they prevented my tongue from moving and they tied up my mouth, so I couldn't eat without being tired in the mouth. They removed the taste of food from my mouth, so it felt like eating paper. The British Army again destroyed the air, the skies, the elements, and they teared down my community and the State. Many of the other devils around did not know what was happening to them, as they too were affected by the poison. I know it is the British because the Americans identified them as British and many of them identified themselves as British. Someone identified that the poison used was a mixture of powder and liquid mist.

Did the British ever leave America?

Is the Congress and Senate made up of Americans and British even up to today?

Is the American Army both American and British in disguise in all Elevations and Levels where they put themselves?

TSA and Department of Homeland Security

On Sunday, May 20, 2018, one of the Devels in the Natural Natural Cut-Out Congress found out that the Transportation Security Administration (TSA) and the Department of Homeland Security (DHS) told the Congress lies sometime between 2011 to 2012 which the Congress acted upon. The TSA and DHS planned in advance, and they and others removed the files from the computer database relating to TSA. When they presented the Congress with their lies, the congress researched and found no data pertaining to their complaint. The Cut-Out Elevation affects the Natural Natural Elevation.

Then on Sunday, one of them heard a different information and learned of newspaper data, TV data, and other data for 2011. Then the devel who heard the different information, he went and did some research and found the information in the database. The database reads: deleted and replaced. He found the data that were removed, and he found the truth that was unknown. Then he was quite angry to the deceit and the lies and the many problems that he and others are in. This devel called others and told them about the find. Some of the others went to see for themselves and they found the information a well. Then the first one who found the information took it to a head leeder and the head leeder did know before, and he began to kill the one who brought the information to his attention. Then he and others began to cut out that devel inside self and began killing his other inside and outside selves in other areas.

Then there was major fighting between those who knew and those who did not know. Then they tore down the congress, and many began to separate their inner and outer selves in the thousandths and then they began to steal my many valuables from the archives and from the congress and stuff them inside themselves. Many of them also found out that the demon devels were on the British side while the others who did not know was on the American side. Many different killings happened on Sunday in the Congress and Senate and many lost their jobs, so they stole.

Many also found out on Sunday that the British who were in the American Civil Wars never left. They amalgamated to become Americans and changed their faces, name, body, personalities, while still working for the British.

Snoring Put on By The Military and Army and Others

The Military and Army and Others are the ones who put many of us to snore when sleeping. They use many instruments and powers to open our mouth and to put many things into our throat to cause our mouth to be kept open and for us to breathe through our mouth instead of our nose. The Army and Military go into our body and they do the snoring. They make the snoring sound and they attach the instruments to us. They open our mouth and attach the sounder to our throats, then they also add sound effects in our houses, so when they open our mouth the sounder enhances the snoring sound, so it is loud and unbearable. They also open our bodies, and they put themselves in our presence, and they put real natural liquid in our mouth and they can

remove liquid from our mouth. They put foam or froth in our mouth, and they put on the shakings on us, so we have what is called epilepsy. They put the froth in our mouth, and we constantly will spit uncontrollable and do not know what to do to stop the froth from generating in our mouth. They cause our mouth to leak liquid when we are sleeping, as they put the liquid in our mouth and they open our mouth, so the liquid is leaked out. I have experienced a few of these things, and I never had these things happen to me before 2013.

The Egan Demon Devels

The devels that took over my Earths are from the Egan Esistence. The GanJah is used to kill the Egan. The Egan set up the Esorcist Esistence. The Esorcist has many areas under the Egan Esistence. The head woman leader is the Esora and her husband is called an Esore. Only the woman can set-up and no man can do that. At some point, the Esore takes over the leadership and everything went into ruin. In the Egan esistence, there is an Antecedent area and they are ants. They also have other areas such as: the antegan, bumpegan, bitegan, stingegan, curlegan, pinchegan, horsegan, assegan, dogegan, categan, goatagan, sheepegan, lambegan, rategan, mousegan, micegan, roachegan, centerpedegan, scorpionegan, spideregan, anansegan, reptilegan, and many others.

The Egans are flying insects, animals, etc, and they do not walk on the ground. They are from the "THEN" Esistence and not for our Esistences. To be in my Earths and many chreations and all ground areas, they use a type of lead to weigh them down. Their shell or effigies are made with the lead in them, and their clothing are also made with the lead in them. They also have other things they use to keep them grounded.

The Egans do not make or create, they set-up in their own form. The Egan set-up the Demon, and the Demon set-up the Contegan that is neither a man or a woman. Nancy Pelosi is a Contegan, otherwise called a Cont. The Demon set-up the Spirits, and the Spirits and the Contegans work together. The Antegan set-up the Ambrezio that is more advance than the spirit and the demon. The Antegan steal many different species from the areas they are never to be in, and they used the species to make their own insects and animals. Therefore, Ambrezio is said to be made from the Making species in the form of a Spirit and Demon Contegan. The Egans use the Contegans, the Spirits, and the Ambrezio to destroy all the Esistences including these Earths.

One of the Egan Egllets devel bird answered, when asked why he does the wickednesses. He said, "wickednesses is all he does, and he cannot stop himself from doing wickednesses".

Devel Breaks Down the Drugs

The devel leaders connect to all those in areas they want to use the drug type they want and then they destroy their lives and connect them to those who can supply drugs to them. Then whenever times the person gets drugs, the devels get as well, and then breaks it down, so the devel can use it. Whenever shipments of drugs are found, it is because devels are fighting against each other, and they want to disrupt the operation of the other. All the Law Enforcement that handles drugs they are mostly devel and the few of my children they use as a source of energy in those areas. The devel always needs real, natural, or a flesh person to be in their midst, as they need them as energy for them, as devels are Spirits and Demons. Many times, you work in a government agency or any large business, there are more plastic who are imitations of life,

there than real, natural, flesh person. In fact, it is difficult for my children to get jobs, as they are given first to the plastic ones.

The devel insect leaders get pain from being in this Earth and these Earths and from doing the bad things, so they take the drugs for that. They inject themselves over and over again to withstand the pain they are feeling. The devels are tormented and they use the drugs to stop the torment. They steal everything from others. And they do not give them back or recompense others for what they take. They will not admit that they are thieves, liars, deceivers, destroyers, killers, and much more. When they do bad things, and are caught and have to recompense, they return to the person to retaliate and to destroy the person and they say the person caused them to admit wrong, when it is not the person, they are the doers of the bad things. Then they will not stop until they remove all that they say they gave to you in recompense, and they will destroy your life completely.

Devel Flu

The devels get the flu, and they take the flue injections to stop the pain they get from the flu and they want us to take the same drugs, so the devels are connected to us. Only take the flu injection if your immune system is down and you know it is connected to your sickness. The devel leeders carry the bird flu. As they are birds, insets, reptiles, animals, and beasts.

Deceptions of Who The Devels Are

You do not have the knowledge of who the devels are and what the devels do because “The Spirits Demons” are the leeders of your areas, your states, your municipalities, cities, towns, and they have many objects, chants, commands, sorcery, satellites, computers that they put over your heads to block your mind. They also put these wicked powers in your jobs, in your Envia (areas), and in your homes that keeps them connected to you. This is for the devel insects to have power over you, so your minds cannot think beyond what they allow you. This is also to cause conflicts in your houses, jobs, communities, for them to put you into trouble that builds more and more stress, anxiety, lack, and torment in your lives. A good esample in recent years, is like what they are doing in Syria since 2011, with my children persecute by the government, military forces, and other devel groups. They did similar wickednesses in Afghanistan, Pakistan, and other areas.

The persecution is causing my children to become refugees, running from their homes and their lives, living in filth and plastic shacks, sleeping on the ground, having children in unsanitary conditions, drinking dirty and germs water, living in hunger and starvation and terror. A similar situation esist also in Berma/Myanmar, where the Rohingya peoples and Christians have been running from persecution. In 2017, the Rohingya persecution in Myanmar began on August 25, when the Myanmar military forces and local Buddhist extremists started attacking the Rohingya people and committing wickedness’s against them. The Rohingya have to be running to neighboring States and to Bangladesh, India to seek refuge and living in mud and twine shacks and facing extreme disasters day after day. Who is responsible for these wickednesses? The devel Spirit insects, Ram, Sam who call themselves “Man” leeders.

Man and Devels can never be the Leaders or be the Chreator of any life or breathing. The devel leeders we have, they do not care about any esistence, or our lives, as it is not their chreations,

and it will never be theirs, so they will do many types of wickednesses and destroy my children lives to show that they can be the originator of wickednesses. These are the same situations that existed since I was killed in these Earths and since they cut off these stolen parts of my Earths and hang them above, so they can control, and no one can stop them. The devel invasions and destructions force my children away from their houses, communities, and states, and my children lose their knowledge of who they are. Then the devils bring in other groups with different skin color and pretend they are the rightful owners and lives for the States.

As many you have read in the many bible stories, the devel who call themselves god puts those in Israel and many other States through many wars, and Israel and many of the other ones are still enduring wars today. Why would a god who cares about her children puts her children in wars upon wars, and puts them through famine, starvation, lack, and terror continuously? That is a wicked god. All these bible stories tell of the terror and horror we have had to live with for a very long time. They use the many Religious books to control your minds to accept wars, death, taxes, terror, prisons, sentencing, and wickednesses. We have been turned out of our houses and having to live in other areas that are not our own. We are then killed and turned out again from the areas of refuge. We then have to run and make new houses and rebuild our lives all over again, while we suffer the killings of many of our loved ones. We also suffer from these many terror experiences, and we do not know it is the same politicians leeders today who are the devils of long times ago. The devils warmongers of the past times that the Israel and others could not see, are the same ones who call themselves god, and our present leeders. The bible tells of wars upon wars, and wickednesses upon wickednesses. The bible is a terror book, and one that causes terror to endure in our lives today, because we use the book, we believe in the book, and we live our lives according to the wicked words in the book.

What is god in the books?

G - in god is gnat's insect of many different types, sizes, colors, height, and weights (fly, mosquito, bug, centipede etc.). They are tied up in many knots and sometimes it is difficult to distinguish one from the other, as they morph (transform) into each other. One insect can have many centrillions of insects inside of himself, and they are reduced to the smallest particles. They exist like this, so they can have more of them to do wickednesses one after the other without stop.

O - in god is, osmosis devel power and saucery power attached to many tools, equipment, and huge objects. For example, the devils use vectors to open and get in our bodies, computers, open our homes and our brain, and to open the Earth. The O is Osmosis that brings about change or transformation in a wicked and destructive form. For example, they chopped up the Earths in pieces and take far far outside the Earths. They take many cut out parts of this Earth and dumped in the oceans and seas causing them to become deserts.

D - in the word god is the devils. Devils are the insects, animals, species that terror, kill, torture, destroy us and destroy and take what is for us. In one of the earlier creations, a man is said to be the devel and he wanted to become a woman, so he could make and lead like a woman.

According to the King James Version of the bible it says, in Genesis 2:7 "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man

became a living soul”. This never happen. It never happen, never happen, never happen, never happen. We are not from dust. We are flesh. Our skin can fester and it does not turn to dust. It takes nine months for a child to be fully developed into a woman, and we have flesh and skin and not spirit dust. This is not how you were Chreated, and a man or insect or animal can never give you life or breathing.

Genesis 2:9 “And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil”. This never happen. It never happen, never happen, never happen, never happen. Why would a mother put good and bad together to torment and tempt her children? No mother would do that! Only a wicked and evil devel would do this to anyone. Why would we need the knowledge of evil to be in the Earth or anywhere? Evil is war, hunger, terror, conflict, horror, thirst, destruction, lies, and deceit. No knowledge of evil is to ever be in these Earths, your lives, and never in any esistence. Only the devel knows about evil and wickednesses, as that is how he builds his esistence. No Devel is to ever be in these Earths or my Chreations.

This bible verse is also saying that the devel god made trees that are “pleasant to the sight, and good for food” that included the tree of knowledge of evil. It says the tree of evil is food for us to eat. Therefore, this devel god made a deceitful tree to tempt and to cause bad events to happen in this Earth. These words are saying that the devel god made the evil tree and put it in the garden that we are to esist in, and we would be tempted to do evil. Even looking at the tree of evil would attract us to do evil, so why would a good mother put her children in the path of wickedness? This never happen! Good and bad must never be put together. The devel and god cannot esist in the same place, so why would god put the evil tree in the garden, unless evil and the god is the same? In this case, the devel and god is the same spirit. The bible is also saying that all of us in this Earth were made by the wickedness devel, who sets us up to evil temptation and devel deceit, and that is why we have been living in terror, hunger, famine lack, and horror all our lives. This is not true.

In Geneses 2: 17, it says. “And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: Verse ^{2:17} But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die”. From what I have seen and heard from Donald Trump, President of the United States of America, I can picture him saying the words. These words from this devel god is truly a set-up for temptation and evil. This god knows that once the good and the evil is mixed together, that the evil would corrupt the good. So, this god sets up the man to do what is evil and then the wicked god blames the man for what the man did not make and did not put in the garden to tempt him. These verses are all lies and put together by the devel political government leeders to deceive you, so you do not know who you are.

Why did god create the Earth and then give us to the devel and say that we sinned? This never happen. It never happen, never happen, never happen, never happen. No one and no Life in this Earth or these Earths and in my esistences SIN. Only the devels can SIN. Sin has a meaning, and it is not what you believe it to be.

Why did god create Adam and then take his rib and create a woman name Eve?
Genesis 1:21 says, "And the LORD God caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs, and closed up the flesh instead thereof;". Verse 22 "And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man". This never happen. It never happen, never happen, never happen, never happen. No Woman is formed from a man. You have never seen a pregnant man that brings forth life. What the devles do, they Jab us under our shoulder blade right into our rib cages and tear it apart with their finger and extension on their fingers. They then put in an extension in our rib cages to keep our body open, so they can get inside our lungs, liver, kidney, heart, and our internal organs to continue to terror and to damage us.

Why did god create us from one man and a **man cannot** bring forth life from his body? This never happen. It never happen, never happen, never happen, never happen. What you see with your eyes around you in reality, is **what you know** and **what you experience**. You do not see a man being pregnant or a man giving birth to a child or a new life. The tree of life is Woman. Without woman there is no life. Woman is the Head of all that exist, "Never a man". The "man" god never creates life and can never ever create life.

In Genesis 3:1, it says, "Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?" This never happen. It never happen, never happen, never happen, never happen. These words express that god made the serpent, god allowed the serpent to get into the Earth and only a wicked god would do this, god allowed the serpent in the garden to tempt those in the garden, god knows the serpent exist, yet god did not kill or make the serpent die! Why did god allowed the serpent to exist to tempt and to corrupt those who god made? Something is wrong here, as god cannot kill the serpent. God should never make the Earth or anyone knowing that the serpent exist.

On another note, if the serpent is a beast or an animal, how is it that the serpent speaks to the woman? From what we know, animals and beasts do not speak our language, so how can the serpent speak to the woman for her to hear and for the woman to do as the serpent say? If the serpent is a beast and can speak our language, then the serpent is the same god leeding his children into destruction, and the serpent is the same beast politician leeders of today that can speak to us, dressed in plastic surgery materials, exist in deception, and we do not know they are the serpent devels.

Stand and Dard

No Standardized testing of students for any reason to get into schools or colleges.
No More Stand and Dard of any types and or of any form for the governments, presidents, prime ministers, chancellors, monarchy, leeders or anything or anyone at no time. No stand or dard made with a person, people, man, woman, children, paper, air, trash, water, gel, or anything.
No Ground and no Grounding for the wickeds, wickednesses, devels, satans, destroyers, evel, bad, demon, spirits, and all their right name and all things and others they use.

All the devel wickednesses organizations leeders, devel wickednesses governors and: presidents, prime ministers, chancellors, popes, priests, pastors, bishops, religious leeders, and all other

demon devels, you are completely emptied out from inside your shells, effigies; and mannequins. You are completely emptied out, completely emptied out, completely emptied out, completely emptied out, Etcetera, Etcetera, Etcetera, Etcetera.

Devels Like High Seats

The insect demon devels are always over your head unseen. They are always above looking down no matter where you are, they are there. They attach themselves to many of their kinds and also with a few somebody or, a person so they can use their power, as they need our physical bodies there to help them. They connect together with each other for power and much much more reasons. Once you terminate, kill, destroy one, or many then many others appear or one more appear, and no matter how many you kill, they kept coming and they continue to attack and you see and feel more and more and without stop. That is because they have many elevations and levels and much more inside of their bodies, and they can release many of their inner selves at intervals while others are doing the same. If they finished those, they have, then they will call others to help them and they will tell many lying sad stories to convince the others to believe them, so they get help. Then the same format will continue until they call others to help again and that format can go on for many years. The devels are also on the ground behind your backs and in front of you and around you as well, but they are from the same branch above. Devels also like to be the highest Leaders and to be in control amongst many other things. The true devels are not that many. They tutor others and then they hide. Then they recruit new ones and tutor, and then they hide. They eventually have a large following, and many do not know the true devels. They are disobedient, they lie, they terror, they destroy, they kill, they torture and so on.

This Dissertation takes a while to complete because the devels continue to bite, sting, burn, inject me, and do many other wicked things day by day. They stop the flow of information when I AM writing, as they do not want the information to be known. So, I share the information in the best ways that I can while experiencing these wicked government, Senate, Congress devel powers of torture. These wicked experiences I have had before and since I was born, and especially since January 2013, are the same ones and worse my Other Ones and my other Leaders had to experience when they tell them in the congress that they are the leaders of the Earth. Then the governments turn on them destroying their lives, and their livelihood and then killing them. This happens from time to time, while the governments, the newspaper, the radio, the TV, and many others hide the information from you.

No one and no thing should misrepresent or change any of my information in all these documents at any time. Do not say what I did not say, and do not use semantics in the knowledge I am sharing. No Politician is to ever use any of my information.
