

ND Envirothon New Advisor Training Session Advisors Questions and Answers

Updated February 7, 2022

- Is it possible to have blank forms available on the website that students can use to follow along with while watching the training videos?
 - Yes, we will post the prairie Grass Bundle worksheet on the Study Resources Website.
- Are you changing the chaperone rules? In the past I have coordinated with neighboring schools to ensure we had a male and female chaperone...Will this be allowed?
 - Yes, this is still allowed. Just let the Envirothon Coordinator know.
- The phones are an issue. Have you considered restricting phones from breakfast until dinner? It seems that students could use the phones as resources during lunch breaks.
 - Please review the Updated Rules and Regulations for clarification regarding the phones.
- Who are the trail guides?
 - Trail guides are volunteers that lead teams through the trail test.
- Does everything need to be cleaned out of the dorm rooms before breakfast on Friday morning?
 - Yes, Dorm rooms need to be cleaned out before breakfast Friday.
- Will registration forms be viable online before January 24?
 - no
- Are teams allowed to use any resources during the completion, or is it all from memory?
 - No resources are allowed during competition other than what is provided by the envirothon committee
- Could a list be provided of what's in the trail guides fanny packs?
 - Teams are provided with all tools they need at station by the ND Envirothon committee.
- Do we typically cap at 25 teams?
 - Yes, the cap this year is 25 teams.
- Are students and volunteers required to be vaccinated for Covid-19?
 - NO
